ENGLISHMEN SAY

Powder can be bought in Canada as good as ever put in a gun. It has a positive advantage over home make, the dirt is soft.—J. J. W in London Field.

AMERICANS SAY

The finer English or American Powder and Canadian "Caribou," I am quite familiar with. They give so little recoil that one may shoot all day without bruised shoulder or headache—Forest and Stream.

CANADIANS ABOARD SAY

Can you send over some Trap? I don't mean to flatter but it is ahead of anything we get here.—A. W. W., Batavia, N. Y.

ARE YOU A FISHERMAN

Probably; hence we make the following offer: If you will send in the names of six of your friends, say six copies of ROD AND GUN IN CANADA shall be mailed to them immediately, and should any of them subscribe we will send you

Half a Dozen Choice

Trout or Bass Flies

for each subscription received. These flies have been selected carefully by an experienced fisherman, and will prove as killing as any in your book — perhaps even more deadly than those you have used heretofore.
