Robinson's Phosphorized Emulsion is particularly adapted to delicate constitutions, in those low states of the system that manifest themselves in so many of the ailments peculiar to the sex. Always ask for Robinson's Phosphorized Emulsion, and be sure you get it.

Scientific and Useful.

PLANTS will be in bloom a month or two earlier by planting the seeds in boxes in the window.

CREAM cures sunburn on some complexions, lemon juice on others, and cold water still others best.

BROWN BREAD.—Brown bread cut into slices and fried in ham gravy makes a good addition to a dish of ham and eggs.

LYDIA E. PINKHAM'S Vegetable Compound is a most valuable medicine for ladies of all ages who may be afflicted by any form of disease peculiar to the sex. Her remedies are not only put up in liquid form but in pills and lozenges in which form they are securely sent through the mails.

SCALLOPED CHICKEN.—Take equal parts of cold chicken, boiled rice or macaroni, and tomato sauce. Put in layers in a shallow dish, and cover with buttered crumbs. Bake till brown. Cold roast turkey, using stuffing and gravy, may be prepared in the same way.

GRUEL.—Put a pint of water on the fire; then take half an ounce of oatmeal; mix it to the consistency of cream, with a little cold water; when the water on the fire boils, pour the meal to it, and let it boil ten minutes; then add a pinch of salt and a teaspoonful of moist sugar.

USEFUL TO KNOW.—Everyone should know that Hagyard's Yellow Oil will give prompt relief; applied externally will stop any pain; and taken internally cures colds, asthma, croup, sore throat and most inflammatory complaints.

WHEN roasting a chicken or small fowl there is danger of the legs browning or becoming too hard to be eaten. To avoid this take strips of cloth, dip them into melted lard, or even just rub them over with lard, and wind them around the legs. Remove them in time to allow the chicken to brown delicately.

APPLE SNOWBALL.—Boil half a pound of rice in milk till nearly cooked, then strain; peel and core some large apples without dividing them. Put a clove and some sugar into the centre of each apple, and the rice round them. Tie each up in a cloth separately; boil for three-quarters of an hour, remove the cloth and place on a warm dish.

MURRAY & LANMAN'S Florida Water is probably the simplest and purest perfume ever made, being absolutely nothing more than the delicious fragrance of rare flowers preserved and made permanent, and it is, doubtless, to this purity of composition that its immense popularity is in a great measure to be ascribed.

THE value of crushed ice as a dressing for burns and scalds, first pointed out by Sir James Earle, is confirmed by Dr. Richardson. The ice, after being reduced by crushing or scraping to a fine state of division as dry as possible, is mixed with fresh lard into a paste, which is placed in a thin cambric bag and laid upon the burn. This is said to banish all pain until the mixture has so far melted that a fresh dressing is necessary.

GINGERBREAD PUDDING.—Eight ounces of bread crumbs, four ounces of flour, four of suet, a teaspoonful of baking powder, the same of ground ginger, half-a-teaspoonful of mixed spices and the same of salt; six ounces of treacle, one egg, and a quarter of a pint of milk. Mix all the dry ingredients first; warm the treacle, and stir it well in with the eggs and milk. Boil in a greased basin (leaving a little room for the pudding to swell) for three hours. Currants, raisins, or chopped figs will improve this pudding.

AN EXCELLENT REPORT. Hon. Jos. G. Goodridge, of Brooklyn, N. Y., writes "I cannot express myself in sufficiently praiseworthy terms of Burdock Blood Bitters, which I have used for the past two years with great benefit.

CORN BREAD. A writer in the New York Evening Post says: "The best recipe for corn bread that I have ever seen is here given:—Beat two eggs, the whites and yolks separately, take one pint of sour milk or buttermilk, two tablespoonfuls of sugar, one tablespoonful of butter, warmed so that it will mix readily with the other ingredients; a little salt. Mix all these together well with the exception of the whites of the eggs. Put two-thirds of a teaspoonful of soda, absolutely free from lumps, into a pint of corn meal and sift and stir them into the milk, etc.; then, after beating the whites of the eggs, add them also. Butter a pan thoroughly, and bake in a moderate oven.

Scott's Emulsion of Pure COD LIVER OIL, WITH HYPOPHOSPHITES. A Most Nutritious Food and Medicine. Dr. LINDSAY JOHNSON, of Cartersville, Ga., says: "I take great pleasure in saying your Emulsion has proved itself in my hands a most efficient remedy, in the various wasting conditions calling for such a nutriment."

"Maryland, My Maryland." "Pretty Wives, Lovely daughters and noble men." "My farm lies in a rather low and miserable situation, and "My wife!" "Who?" "Was a very pretty blonde!" "Twenty years ago, became "Sallow!" "Hollow-eyed!" "Withered and aged!" Before her time, from "Malarial vapours, though she made no particular complaint, not being of the grumpy kind, yet causing me great uneasiness. "A short time ago I purchased your remedy for one of the children, who had a very severe attack of biliousness, and it occurred to me that the remedy might help my wife, as I found that our little girl, upon recovery had "Lost!" "Her sallowness, and looked as fresh as a new blown daisy. Well the story is soon told. My wife, to-day, has gained her old-time beauty with compound interest, and is now as handsome a matron (if I do say it myself) as can be found in this country, which is noted for pretty women. And I have only Hop Bitters to thank for it. "The dear creature just looked over my shoulder, and says 'I can flatter equal to the days of our courtship,' and that reminds me there might be more pretty wives if my brother farmers would do as I have done." Hoping you may long be spared to do good, I thankfully remain. O. L. JAMES. BELTSVILLE, Prince George Co., Md., May 26th, 1883.

None genuine without a bunch of green Hops on the white label. Shun all the vile, poisonous stuff with 'Hop' or 'Hops' in their name.

IT LEADS ALL.

No other blood-purifying medicine is made, or has ever been prepared, which so completely meets the wants of physicians and the general public as

Ayer's Sarsaparilla.

It leads the list as a truly scientific preparation for all blood diseases. If there is a lurking taint of Scrofula about you, SCROFULA AYER'S SARSAPARILLA will dislodge it and expel it from your system. For constitutional or scrofulous Catarrh, CATARRH AYER'S SARSAPARILLA is the true remedy. It has cured numberless cases. It will stop the nauseous catarrhal discharges, and remove the sickening odor of the breath, which are indications of scrofulous origin.

ULCEROUS SORES

"Hutto, Tex., Sept. 23, 1882. "At the age of two years one of my children was terribly afflicted with ulcerous running sores on its face and neck. At the same time its eyes were swollen, much inflamed, and very sore. Physicians told us that a purgative or alterative medicine must be employed. They united in recommending AYER'S SARSAPARILLA. A few doses produced a perceptible improvement, which, by an adherence to your directions, was continued to a complete and permanent cure. No evidence has since appeared of the existence of any scrofulous tendencies; and no treatment of any disorder was ever attended by more prompt or effectual results.

SORE EYES

Yours truly, B. F. JOHNSON.
