The Oliver Type-writer \$95

A Typewriter is, if it is a modern machine a necessity to every business and professional man but a machine that can only be operated by a "trained typewriter" is expensive luxury.

The OLIVER is the Free Type Bar Visible Writing Machine. It is a condensed keyboard as you see every letter as it is written, so that anyone can learn to operate it in a week and because it is a Canadian it is Thirty Dollars cheaper than any other machine on the market.
