Could professional outcasts and exiles seize a more favorable opportunity to wreak vengeance upon an honorable body? At a time when a set of men whose ignorance is only equalled by their lack of fidelity to the principles they were elected to support, at such a time the enemies of order inspire these men to attack our vested interests, to destroy our time-honored rights. It is for you to say if you will endure these wrongs. If you approve this iniquitous bill, do nothing. If you do not approve, write to the representative of your constituency in the Legislative Assembly to oppose it. Combination must be met by combination. If the Patrons of Industry would destroy the present Medical Act, we must fight for our rights and the public welfare. This matter is urgent and brooks no delay. Organize. Call your Territorial Associations together. Petition the Legislature that the bill do not pass.
