ST. PATRICK'S DAY ORATION

Delivered by Rev. Joseph Quinn, Ancient Missionary of Canada and the United States on the 17th of March, 1892.

Before an Immense and Very Refined Audience of Seven Different Nationalities.

The eloquent orator electrified his audience, from the commencement of his superb and magnificent discourse. The multitude grew patriotically enthusiastic as the orator waxed passionate in the profound discriminating historical thought of the theme, and wild applause greeted him throughout, as his splendid voice sonorously concluded a passionate appeal to the glory of Ireland or the weird lamentation of her multiplied injustices and national wrongs. It was a unique discourse, and one long to be remembered, as well for its historical quaintness as for the learning of the reverend orator. It was a peerless speech and one to be long recorded; unique and original in its composition, such a discourse should not be left pass by into oblivion. Hence at the urgent request of many friends, the rev. author has reluctantly consented to have this marvellous production of genius expressed in pamphlet form, and thus perpetuated to future generations as an enduring tribute to the genius and eloquence of its renowned author. We hope the public will regard this production in its true light, and give to it the serious contemplation that such a profound production necessarily calls for. The author is not a volatile writer, he swings a trenchant pen; he is not a trivial thinker, but a profound one. Therefore the perusal of this little pamphlet will require more than ordinary intelligence and historical discrimination. That this work may be a source of intellectual pleasure, usefulness to ether, and contribute to the glory of God, which the rev. author would feign have it be, is the sincere hope of him who has the distinguished honor of introducing to the public gaze this paragon of historical learning and varied profound erudition, the Rev. Joseph Quinn, Ancient Missionary of Canada and the United States.

DR. NEY'S ASTHMA SPECIFIC

THE GREAT FRENCH REMEDY FOR

Trade Mark.

Asthma, Bronchitis, Catarrh, Croup, &c.

The successful experience of many years with numerous patients entitles Dr. NEY'S ASTHMA SPECIFIC to the public confidence.

Numerous testimonials highly extol the merits of this remarkable preparation, but lack of space compels us to publish only a few lines of two of these testimonials.

The Rev. Sister A. Boire, of the St. Boniface (Manitoba) General Hospital, says:

As regards Dr. Ney's Asthma Specific, I believe its value has not been over rated. If it does not always cure, IT NEVER FAILS TO GIVE RELIEF.

St. Boniface, June 8th 1890. SISTER A. BOIRE.

Dr. G. Desrosiers writes Nov. 12th 1890.

I have used Dr. NEY'S ASTHMA SPECIFIC in several cases of Asthma with very good success. I had a particularly bad case of asthma recently. An old man of 73 years of age had been an inveterate asthmatic for the last 12 or 15 years. His sufferings were so severe that he apprehended suffocation. I made him inhale the fumes of Dr. NEY'S ASTHMA SPECIFIC and he immediately breathed freely. It is several weeks since this occurred and from what I know he has enjoyed an excellent health from that day. I cannot but congratulate myself upon having tried this most excellent preparation."
