## WATER POWER.

The Mayor and Council of the Town of Min-  
neapolis, Manitoba, invite correspondence  
from parties willing to undertake the construction  
of a Dam and Working of Water Power in the Little  
Saskatchewan River, on the basis of a report and  
plan prepared by George H. Webster, Esq., C.E.,  
Chief Engineer to the Manitoba and North Western  
Railway Company. Mr. Webster's report provides  
for a Reservoir or Power Canal 600 feet long, 150  
feet wide and of a minimum depth of 13 feet,  
with four good mill sit adjacent thereto, and  
states that there is every opportunity for the uti-  
lization of a splendid water power, estimating that  
the revenue derived therefrom at the low rental of  
\$10 per horse power from the four hundred horse  
power to be provided, will probably repay the whole  
outlay in three or four years.The report and plan may be examined at the  
office ofERNEST W. PEARSON,  
Clerk and Treasurer.800 ACRES  
CHOICE FARM LAND

FOR SALE

In the Township of Romney, Co. of Kent

Which is the Garden of Canada.

These lots are situated on either side of the main  
road leading southward from Tilbury Centre toward  
Lake Erie. A portion of the land is within two  
miles of the lake and a half mile north of a station  
on the new Detroit River and Lake Erie railway.  
It is also about five miles south of Tilbury Centre  
on the Canada Northern and Canada Pacific rail-  
ways. The Grand Trunk is still one mile farther  
north. On either of these roads a person may reach  
Detroit in less than one hour. The soil, which is  
deep and rich, thoroughly drained, is covered with  
ash, elm, hickory, basswood, &c. Terms to suit pur-  
chasers.EDWARD TROUT,  
Cor. Church and Court Sts., TORONTO.wheat, 82 to 84c.; No. 3 ditto, 76 to 78c.; oats,  
32c.; peas, 71 to 72c.; feed barley, 40 to 41c.;  
corn, 67 to 68c. per bushel.GROCERIES.—February month so far has not  
developed any special activity in this line, and  
only a moderate aggregate of business can be  
noted. As regards values comparatively little  
change is reported. Some lines of spices are  
moving upwards very markedly, especially  
cloves, which have almost doubled in value  
during the last two months; pepper also very  
firm at late advance. Rio coffees are reported  
strong in New York, 18c. being the quotation  
for No. 7 standard. Sugars remain at last  
quoted figures. A quotation for Barbadoes  
molasses received the other day was 18c., in-  
cluding package, equal to about 31c. per gal.  
laid down. Nothing special has transpired in  
teas since last report. Raisins and currants  
are dull, but seem firmly held in New York;  
prunes in fair demand at 7½ to 7¾c. per lb.;  
very few dried apples available, and 5½ to 5¾c.  
asked. There is some prospect of an improve-  
ment in canned tomatoes, as they are decidedly  
firmer in the United States, and some ship-  
ments to England are reported; corn dull;  
salmon, \$1.55 to \$1.60; lobsters, \$7 to 7.50 per  
case.HIDES.—In green butchers' hides there has  
been no change of price, dealers still paying  
50c. per lb. for No. 1. Calfskins are certainly  
stronger, and may now be quoted at 6c.,  
though it is said even higher figures have been  
paid; lambskins, 90c. to \$1 each. Tallow  
keeps high; rough is bought at 3c.; rendered  
is being held by some at 7½c. per lb.LEATHER.—While boot and shoe men are  
busy, leather men are not specially so, and sole  
is reported as quite slow of movement. The  
American markets are reported very lively and  
strong, and dealers here are building to  
some extent on this fact for some advance  
here, but prices in the meantime stand  
as before. We quote:—Spanish sole, B. A.  
No. 1, 21 to 23c.; do., No. 2 to B. A., 17 to

to 55c.METALS AND HARDWARE.—Since last writing  
a 2,000 box lot, and some smaller lots, of coke  
tins have been sold to packers, at something  
under late quotations, understood to be about  
\$3.15 for the big lot, and \$3.20 for others; we  
accordingly revise quotations. Some round  
lots of Canada plates have also been sold at

booked now except at current prices at time of  
delivery. Linseed oil has further advanced,  
and is quoted at 62c. per gallon for raw and  
65c. for boiled in small lots, which is consid-  
ered a moderate figure in the face of the sharp
