

J. D. LAWLOR,

SEWING-MACHINE MANUFACTURER.

I MANUFACTURE

SEWING-MACHINES,

FOR ALL KINDS OF WORK, FROM THE FINEST TO THE HEAVIEST,

And I keep constantly on hand various styles of the following celebrated Machines:—The Singer, Howe, Atina, Florence, Wheeler & Wilson, Button-hole, and Wax-thread Machines.

Persons about to purchase will please observe that I build no Chain-stitch Machines. The Machines I manufacture make the Lock-stitch alike on both sides, which will not rip nor ravel.

PRICES: FROM \$25 AND UPWARDS.

I warrant all Machines made by me superior in every respect to those of any other maker in the Dominion, while my prices are less.

PARTICULAR NOTICE.

The undersigned is desirous of securing the services of active persons in all parts of the Dominion, to act as local or travelling Agents for the sale of his celebrated Sewing-Machines. A very liberal salary and expenses will be paid, or commission allowed. Country Merchants, Postmasters, Clergymen, Farmers, and the business public generally, are particularly invited to give this matter their attention, as I can offer unparalleled inducements, and at the same time the cheapest as well as the best Sewing-Machines now before the public.

I desire to place my Sewing-Machines, not only in the mansions of the wealthy, but in the "humble cottages" of the poorer classes (who most need machines), and the prices are such as will come within the reach of all. Consequently, I court the assistance of all parties who would lessen the labor of women, or increase their own happiness, by introducing a really meritorious "labor-saver." If costly Machines are wanted, I furnish them. But good faith and the advancement of my patrons' interests require me to say, that so far as respects the practical uses of a Sewing-Machine, it is only necessary that purchasers should exercise their preference as to the style they want or have the means to purchase.
