<sup>1</sup> - Consular training is delivered by JPPT but funded through CFSI.

<sup>2</sup> - Foreign and Official Language figures include training that has crossed over fiscal years which inflates the number of courses, deliveries and students. These figures also include students who have started and not completed the required hours. Only the actual hours taken during FY2002-03 have been credited.

<sup>3</sup> - Includes Managers' Fora which have not been included in PeopleSoft.

<sup>4</sup> - Includes DG Fora, Savvy Series, HQ/Mission Retreats (not included in PeopleSoft), Video conferences, Lectures and Brown Bag Lunches.

Official and foreign languages training account for the majority of student days at 55% followed by professional training programs at 16%, corporate services and systems at 14% and management development at 5%.
