### NOTICES OF INQUIRIES AND MOTIONS.

For Wednesday, May 19, 1909.

**No. 1**

By the Honourable Mr. Perley:—

May 18—That he will ask the Government, when they intend to start building the Grand Trunk Pacific Railway Bridge at Quebec, and when do they propose to have said bridge open for traffic?

**No. 2.**

By the Honourable Mr. Perley:—

May 18—That he will ask the Government if they have received any returns from the Hudson's Bay survey staff, as to the route that the Government is likely to build the railway to Hudson's Bay and will, any work on construction be started this summer.
