

letters being, that you would have possibly on file a reasonably complete record of my career, which would be useful in the event of some opportunity presenting itself. I attach a cutting from The Gazette of the 6th inst, which does not appear to be very complimentary as regards the Canadian Trade Commissioner. I fully realize your time is very much taken up with more important matters & also that you haven't time for a lot of possibly idle correspondence; But Sir, I did not receive any acknowledgment of the letters mentioned, am apparently as far removed from
