

Mrs. M. E. Grant,
C/o Mrs. Andrews,
Upper Canada College,
Toronto 5, Ont.

Dear Mrs. Grant,

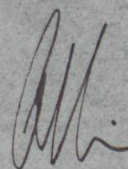

Unfortunately, the attached letter missed you at Chicago and has just been returned. The address to which it was sent, was secured from the Royal Victoria College on July 19th. I thought you would like to know about this as other letters may have gone astray.

There are no significant developments since July 19th, except that further conferences have been held with school officials and Mrs. Clayton, and correspondence exchanged with Miss Munro and Miss Smith.

As I am leaving Montreal to-morrow until August 22nd, and in view of the willingness of the school authorities to assist us for next year, I have suggested that further discussion of responsibility and schedules for the women members of the staff might be deferred temporarily.

Nothing further has been done re the medical services, and I am confident that a happy solution to our problems can be reached.

Yours very sincerely,

Copies to: The Principal,
The Bursar,
Dr. Simpson
Miss Munro.
