Post Office Address

Province or State

When you send merely write Name and Address and we will send Preparation by return Mail.

When you send money or stamps **enclose and seal envelope YOURSELF** and get the letter registered at your post-office, or else get **Post office or Express Money Order, payable to The World Medical Electric Co.**

Postmasters give receipts for registered letters. **Express Agents** give a stub receipt for Money Orders.

Always keep receipt at least **3 months**, so in case money is stolen you can show receipt to prove that you sent the money. **DON'T send a postal note.** They are a few cents cheaper than a Money Order, but **they are not safe**, as any one can cash them if letter is lost or stolen. Money sent contrary to above advice is at your own risk.
