

Hockey Collingwood 2 Oshawa 1

INTERMEDIATE FOR COLLINGWOOD TEAM

Defeat Oshawa by One Goal in Sudden-Death Game for Title.

The intermediate O.H.A. title goes to Collingwood. After playing the regulation two games in the final, Oshawa and Collingwood had each scored four goals. The O.H.A. ordered a sudden-death game to be played at the arena last night, and the northern town scored two goals and Oshawa one.

Collingwood earned their victory. They outplayed their opponents and showed better work close to the net. Each club scored a goal in the opening period. Collingwood got what proved to be the winning goal in the second session, and the last twenty minutes was scoreless.

The intermediate final did not play nearly as finished hockey as the senior club. Their team play was ragged in spots. The puck-carrier generally went into the corner of his own account, and the work in front of the net was slow and uncertain.

D. Poullis, the Collingwood defense man, was easily the best man on the ice. He blocked in great fashion and was a strong rusher. He gathered in both of Collingwood's goals, and his second effort was pretty. He rushed down alone and made the Oshawa defense look foolish when he wriggled his way in.

Collingwood checked closely at all times, and it was this that stopped Oshawa. Elitherington had a lot of speed, but generally found that the other Oshawa forwards were not down to help him out. Rowden, the boy who hurt his head in the game at Oshawa, appeared with a banged head and played a good game of hockey. He went well, but was not up to his usual good work around the net.

Both goalers put up a sterling article, and Oshawa's only goal was one that Cook did not see. There was considerable slashing, but it was a clean game. Collingwood were best in nearly every department, and earned their victory.

WESTERN RULES IN CUP GAME TONIGHT

Vancouver Expects to Even Up Series—Noble Right for Game.

Manager Charlie Querrie of the Toronto blue shirt has arranged with Frank Patrick of the Vancouver team that in case any of the Toronto regulars are injured either Querrie or Adams will be allowed to play tonight. The case of Adams was thought that Reg. Noble would be unable to play tonight. He wrenched his shoulder on Wednesday night, but it has responded to treatment, and Noble will be on hand tonight. The Coast League rules will be the order in this game, and, playing under their own style, the Millionaires are confident of evening-up the series. The Coast League style calls for seven men a side, and as many substitutions as desired. However, in the case of a penalty, the teams must play short-handed. The ice surface is divided into three sections. In the middle section passes may be taken forward as long as the receiver is not inside the end section. The exception to this is when the puck carries off the boards into the middle section, in which case a player may accept the pass. Great interest is being taken in tonight's game, the fans desiring to get a look at this Pacific Coast League style of play.

Jack Maughan Beat C. Booth and L. Wren

Exceptionally fine swimming featured the challenge meet between the afternoon and evening sections of membership at the Central Y.M.C.A. last night. It looked as though the evening section had the meet all to themselves at one time, but the evening section put up a stubborn battle, and it was only by diving and relay that the afternoon section managed to forge ahead. Possibly the surprise of the meet was the defeat of Cliff Booth and Les Uren in the 50 yards speed race by Jack Maughan. Maughan was behind at the first turn, but by magnificent swimming managed to nose out Uren with both third Cliff Hurst had to travel in the yards breast to beat Ed. Young, W. Elliott and H. Peake of the evening and afternoon sections respectively divided points for third. Booth was again beaten in the 25 yards speed race, Maughan doing 12-3 as against 12 by Booth and Hurst. When put the afternoon class ahead in the 50 yards back race, the afternoon class having this event all to themselves. Uren getting second, and Shuter third. Points were evenly divided in the plunging. "Link" Wilson just missing out. H. Peake, Shuter had no difficulty in winning out handily the diving, it being just a question as to how much he would win by. The relay was somewhat one-sided. The afternoon class were 10 feet ahead at the end of the first length, and the evening section was behind at the first turn. Young and Jack Maughan tried hard for the evening section, they could not get on even terms with the afternoon class who won out by over 30 feet.

The summary:
25 yards breast—L. C. Harston, afternoon; 2. H. Peake, afternoon; and W. Elliott, evening, for second. Winner's time, 17-3-5.

Brooklyn Claims Our Larry Lajoie

States Deal Has Been Closed—President McCaffrey Says, Not Yet.

New York, March 22.—Napoleon Lajoie, veteran infielder, who managed the pennant-winning Toronto team in the International League last year, has been purchased from Toronto by the Brooklyn National League Club, it was announced here today. Charles H. Ebbets, president of the Brooklyn, said he had talked over the telephone with Lajoie at Cleveland, and that player said he had no objection to playing with the Brooklyn, but that before signing a contract he would like to confer with the officials of the Toronto Club. Lajoie said he would probably report at the Brooklyn training quarters at Hot Springs within a few days.

"I admit that the Brooklyn Club has made an offer for Lajoie, but no deal has been closed," stated President McCaffrey of the Leafs yesterday. "The International League will meet in New York next week, when it will be decided whether to operate or not. Until after that nothing will be done in the matter of deals for my players."

Lajoie will manage the Indianapolis Club. That is, if there is no International League this year, he says.

Cleveland, March 22.—Napoleon Lajoie, whose purchase was announced by the Brooklyn National League team, denied tonight that he would report to the Brooklyn team.

"Reports that I will report to the Brooklyn Club are not true," said Mr. Lajoie. "I have given my word to Mr. McGill, owner of the Indianapolis Club, that if the International League doesn't continue this year, I will manage the Indianapolis Club. I will keep my word. If the International League suspends, I feel I should have something to say about where I am to go. I do not care about going to the National League, anyway."

Lajoie ready to report.

Indianapolis, Ind., March 22.—In a telephone conversation with Owner James C. McGill of the Indianapolis club tonight, Napoleon Lajoie, who today was reported sold to the Brooklyn National League club, stated that he was ready to report at Indianapolis immediately. McGill, however, takes the view that Lajoie should be considered a free agent, because the International League thus far has not adopted a schedule for the coming season and has not even employed its umpires.
