STILL USING GAS.

Output in Toronto Has Doubled Within Six Years.

That the output of gas in Toronto in 1907 was more than double what it was in 1901, a period of six years, and Toronto uses as much gas as Montreal and Hamilton combined, was the statement made by General Manager Pearson at the annual meeting yesterday of the Consumers' Gas Co. A comparison was presented of the ratio of capital and bonds to one thousand feet of gas showing Toronto 1.00, Hartford 3.23, Cleveland 3.33, Brooklyn 3.33, New Haven 3.63, St. Louis 5.00, New-

ark 5.00, Detroit 5.19, Cincinnati 6.00, Baltimore 12.00, Toledo 17.10, Pittsburgh 22.00, Buffalo 22.12, Los Angeles 25.00, Rochester 26.47.

In Toronto the output for the year ended Sept. 30 amounted to 1,773,588,000 cubic feet, an increase of 235,770,000 cubic feet, or 15 1/3 per cent over the previous year. During the year nineteen miles of new mains were laid. The old directors were re-elected, and they appointed J. L. Blakie president, and A. W. Austin vice-president.

Nashville Operators at Work. NASHVILLE, Tenn., Oct. 28.—All the striking Postal Telegraph Company operators here returned to work to-day.

York County and Suburbs

EAST TORONTO COUNCIL TO TAKE STRONG ACTION

Solicitor Grant Advises Cutting of Electric Light Wires—General News.

TORONTO JUNCTION, Oct. 28.—Next Thursday is the last day for the payment of water rates for the half year, but as it will be a public holiday (Thanksgiving Day) Town Treasurer Jackson states that the rates will be received on Friday instead of the preceding day.

The board of works met to-night and endeavored to get outstanding matters disposed of as much as possible for the coming winter.

Now that the cement sidewalks have all been finished for this year, the board instructed Street Foreman Peter Moon to lay brick crossings in different parts of the town, four or five in ward four, of which one is at the corner of Beatrice and Pacific-avenues and another at Beatrice and High Park-avenues.

The tender of Smith & Ryan for 300 Weston-road was accepted. The price was \$1.30 per ton.

The board instructed Peter Moon to lay a temporary wooden crossing at Victoria-street, as the contractor took up the old crossing and left it in very bad shape.

A motion was carried to lay a 4 foot sidewalk on the south side of Davenport-road, west from Duxbridge-avenue, for about 300 feet.

The 6-foot main on Medland-street will be extended 60 feet farther south, to accommodate two houses. The cost must not exceed \$60.

A special meeting of the town council will be held to-morrow evening to accept the tender of the Spark Telephone, Light & Power system for street lighting.

The regular meeting of the executive will be held next Friday, instead of Thursday (Hallowe'en).

George Abrey, town engineer, returned to-day from Sudbury, where he has been on business connected with the waterworks department of that town. He stated this evening that if fair weather continues the paving will be completed as far as Keele-street in two weeks, and the entire distance to Victoria-street will be finished in six weeks.

An angelic service will be held to-morrow evening (Tuesday) in St. John's Church.

EAST TORONTO.
Council Decide to Make Toronto Electric Light Sit Up.

EAST TORONTO, Oct. 28.—Mayor Ross presided over a special meeting of the town council to-night, the feature of which was the unanimous decision of the members to take drastic measures with respect to the Toronto Electric Light Co. by sending a man to cut the wires at a point between the town limits and the residence of D. D. Mann, the terminus of the line. Early in the summer the Toronto Electric Light Co. obtained from Mayor Ross a conditional permission to string their wires thru the town along Queen-street, added to which was the fact that the council had not given consent to the prosecution of the work. Letters from the contractor had no appreciable effect in extracting from the company any recognition, and the action of to-night was the outcome. Mayor Ross pleaded for another conference, but on motion of Councillors Phelan and Shinnick the order to cut the wires went forth. If the order is forthwith executed Mr. Mann's residence will be without electric lighting.

The ever recurring street railway extension matter to Ward 3 was again in the fore, and Councillor Abbott made a strenuous effort to secure a concession in the form of an extension of the charter, to Ward 3, following with the railway company will, it is said, extend the line. Council as a body were opposed to opening up the matter, preferring to let the present franchise lapse, before dealing with the matter. Some warm passages at arms occurred, but no real progress was made. A number of other matters of more or less importance were disposed of.

Prior to adjournment G. E. MacDonald, editor of East Toronto Standard, was called to the front and presented by Mayor Ross with a magnificent portrait of himself. The portrait was presented to the editor in a familiar attitude. His worship was warmly complimented on the excellence of the work.

The regular meeting of the council will be held in two weeks. A junior football league has been organized, embracing all the public schools of the town.

The officers are: Hon. president, Chairman Hard; president, S. Board; first hon. vice-president, J. Ormrod; president, R. Paterson; first vice-president, Rev. Mr. Rogers; second vice-president, J. E. Dismay; secretary, treasurer, T. E. Brownlee. The first game will be played on Wednesday evening, and will be between Kimberley school team and Coleman school.

This has been a busy day for Town Clerk Clay and Assessment Commissioner Ormrod, owing to the payment of taxes.

The Aberdeen Curling Club will meet to-morrow (Tuesday) night at eight o'clock sharp in the rink. Skips will be chosen and other important business transacted. A full attendance is requested.

WYCHWOOD.

Big Accession of New Members at Presbyterian Church.

WYCHWOOD, Oct. 28.—Thirty-four new members were added to the already large congregation last Friday evening at the Presbyterian Church. Of the new members four were Canadians, two came from Ireland, three from England and twenty-five from Scotland.

Miss Rott, representing the committee on French evangelization, spoke in the Presbyterian Church on Sunday evening to a large congregation. In spite of the rainy weather, standing room was at a premium. Her subject of discourse was Pointe aux Trembles (a Presbyterian school in the Province of Quebec), and in the course of her remarks spoke regarding her life of twelve years in the monastery. Since her conversion to Protestantism Miss Rott has acted as missionary among the French-Canadians for the past ten years.

A union thanksgiving service will be held at 11 a.m. on Thanksgiving Day at the Church of Christ, Rev. Mr. Follett of Zion Methodist Church will preside, and Rev. W. A. McTaggart of the Presbyterian Church will preach the sermon.

The funeral of the late Frank Hancock of Bathurst-street took place to-day at St. James' Cemetery. The Rev. C. A. Seager, rector of St. Cyril's Church, officiated. Deceased, who was only 28 years of age, was an employee of J. E. Edwards & Sons, but a few years ago he thought it would be better for his health to travel, and as he had a well-trained voice he chose the stage as his vocation, when he contracted a cold, which ended his life. The firm of J. E. Edwards & Sons has a beautiful wreath as a last tribute to the members of St. Alban's Cricket Club. Members of the Edwards firm and of St. Alban's Cricket Club acted as pallbearers.

A new three-plank sidewalk is being laid on Markham-street, north of St. Clair-avenue.

The Bracendale Gun Club leave for their deer hunting in a body to-morrow (Tuesday).

A white rose meeting of Yarmouth Lodge, S.O.E., will be held to-morrow (Tuesday) evening. Refreshments will be served after the meeting.

YORK TOWNSHIP COUNCIL.
Members Meet and Put Thru a Lot of Routine Business.

COUNCIL CHAMBERS, Oct. 28.—A court of revision was held by the township council this afternoon on the proposed laying of a sewer on Spadina-road and the frontage measure, and the levying of a special tax for the local improvement were confirmed.

After the court of revision the council took up a little general business and passed a bylaw to transfer the accounts of the municipality from the Imperial Bank to the Canadian Bank of Commerce branch at the corner of King and Jarvis-streets, in which building the council chamber and the York Township offices will be located on and after the first of November. The bylaw also made provision to borrow from the bank the amount of \$60,000 to meet current expenses.

A letter was received from H. Jones, principal of the Chester Public School, re the gold medal offered by the township council for the pupil with highest marks in the last June's entrance examination. He claims the gold medal for Miss Edna Ash.

A similar letter was received from W. J. Thomson, principal of the Deer Park Public School, on behalf of Miss Pickering, who carried away a scholarship in the township's second prize. As a scholarship would mean an expenditure of about six dollars, herself of a high school tuition, but is attending a business college. Mr. Thomson asked to assist Miss Pickering in her studies to the amount a scholarship would cost. Both applications will be attended to.

Balmby Beach.
Physical training classes for boys and girls of school age will open Saturday morning, Nov. 2, at the private school, McLean-avenue. Applications should be made before Nov. 1.

NORTH TORONTO.
Old and Respected Resident of Town Is Seriously Ill.

NORTH TORONTO, Oct. 28.—Wm. Douglas, of Yonge-street, Eglington, father of Councillor S. J. Douglas, is confined to the house thru illness. The choir of the Trinity Methodist Church, Toronto, will take part in the services of the Eglington Methodist Church on Friday evening, Nov. 8.

The big silver cup will be contested for in the country race on the morning of Thanksgiving Day by the pupils of the Deer Park Public School, is on exhibition in the window of the Deer Park postoffice. The cup is of elegant workmanship, and has to be contested and won for three consecutive years before it becomes the property of the winner. The silver medals are also on exhibition. The event promises to be an exciting one.

The pupil committee of Bloor-street Baptist Church decided to ask Rev. Dr. R. D. Thomas, formerly of Jarvis-street Church, to occupy their pulpit for three months, from Dec. 1.

These coats were cleared from a manufacturer in Montreal, one of the best. Regular prices would be \$10.00, \$10.50, \$12.00, \$13.50, \$14.00 and \$15.00.

Wednesday take your pick at **\$8.45**

Thanksgiving Hats \$2.00

Men's and Young Men's Derby Hats, in celebrated English makes, copies from the popular American styles, now selling. We carry in these lines hats in proportion and design to suit almost any features in quality, style and finish. We invite comparison to hats sold elsewhere for a good deal more money. Wednesday **\$2.00** day

Men's "Victor" Boots

Style I is a business and informal dress boot, made over one of the new semi-straight lasts, which will be a favorite with well dressed men this season. The leather in the vamp is the best selected chrome patent calfskin. The moderately narrow toe is flattened a trifle on top and is one of the best fitting shapes we have ever produced. The fine dull matt calf blucher top adds to the appearance of the boot. **\$4.00**
