What 3 Doctors Didn't Do.

We believe the physicians of Canada to be the best in the world.

Sometimes though even they, with all their skill and knowledge, fail to cure diseases that Burdock Blood Bitters can completely and permanently eradicate from the system. We have given instances where B. B. B. cured cancers, malignant scrofulous sores and ulcers, and deep seated abscesses, after doctors failed to do good.

Now we give a case of dyspepsia, that most common and distressing disease of civilized humanity, and show how B. B. B. cured it permanently after three doctors couldn't give relief.

The case of M. Napier Garant, merchant, Chaplin River, Bonaventure Co., Que., is the one referred to, and this is what he writes:

"After being treated by three doctors for a severe case of dyspepsia and receiving no benefit, I decided to try Burdock Blood Bitters. By the time I had taken two bottles of B. B. B. I was completely cured and have had no return of the trouble since."

"At the time I had dyspepsia I was so weak and thin I could hardly walk. Today my weight is 161 lbs., and I am well and strong, and owe it all to B. B. B."
