Manager Solman Will Confer With Assessment Commissioner Today Rich Railway Revenue.

Within the next three days it will be decided whether the scheme for the improvement of Hanlan's Point, discussed by Manager Solman and members of the civic island committee after the fire, will be carried out.

Mr. Solman will call upon Assessmen Commissioner Forman to-day to se what is being done towards straighten-ing out the leases. The plan contem-plates the cancellation of the Durnan lease of property immediately north of Hanlan Memorial Park, and the making of a new line to the ferry company, taking in half of the Durnan property taking in half of the Durnan property so as to allow the athletic field and group of buildings to be moved south, making room for a public park on the old athletic grounds site. The city will make use of the other half of the Durnan property for the extension of the Memorial Park.

Mr. Solman emphatically denied the report that the company had grown impatient of delay on the city's part and would proceed to build the grandsee Mr. Forman first and that no de-cision would be reached until Saturday. It has not yet been decided whether the grandstand will be built of concrete and steel or of wood, owing to the much
