Who Was Bribed?

Special to The Toronto World. REGINA, Feb. 27.—The thing that goes nardest against the Liberals is the attempt to bring Hon. Robert Rogers of Ottawa into the battle royal new raging in the legislature over the revelations made by the Conservative opposition of bribery and maladministration of public funds by the Scott government. Grant that Mr. Rogers was a party to the revelations, the cuestion is not what part had he in the exposure but who was bribed and who did the bribery and who mis-handled the public funds? And notwithstanding that the liquor business was more or less wiped out by the legislature, that does not quite prove that money did not pass to certain followers of the government. The names have been given, nine of them. Did money pass?

COLLEAGUE SURVIVED

Campbell Elected in Rossland by Nine Votes-Sensation at Ottawa.

VANCOUVER, Feb. 27—With a majority of 4000 over both rival candidates, on a total vote by far the largest ever registered in Vancouver, M. A. Macdonald, leader of the Liberal party on Saturday won in the Vancouver by-election He defeated Hon. Charles E. Tisdail, the new minister of public works in the Bowser Government, and also left ex-Mayor Taylor, an independent candidate, badly at the foot of the list. That the interest was keen is shown by the fact that more than 15,000 votes were polled, fifty per cent. in excess of the total vote in any previous election.

total vote in any previous election.

Campbell Almost Beaten.

Two by-election were held on Saturday. The second was in Rossland, where, by the parrow margin of nine, the official candidate, Hon Lorne Campbell, minister of mines, mancampbell, minister of mines, managed to nose out the Liberal, Mayor Wilson. Mr. Campbell received 331 votes and his chief opponent. Wilson, 321. W. W. Lefeaux, Socialist, 50t 49 votes, and it is admitted that the presence of the third candidate in the field in Rossland accounted for the victory of the minister of mines.

On Dec. 15 Hon. W. J. Bowser took over the premiership from Sir Richard McBride, who went to London as agent. for British Columbia. Three new ca binet ministers were sworn in, Tisdall Campbell and Flummerfelt, and the by-election for the latter will be held

next Saturday in Victoria, H. C. Brewster, titular leader of the Liberal party, is Mr. Flummerfelt's opponent in Victoria. Detailed figures of the Vancouve contest are as follows:
Macdonald, 9592; Tisdall, 5432; Taylor, 194; spoiled, 188. Majority for Macdonald, 4160.

Sensation at Ottawa

By a Staff Reporter OTTAWA, Ont., Feb. 27.—The re-sult of the British Columbia by-elections has created a distinct sensation in parliamentary circles. In Rossland hostile torpedo boat destroyer which was bombarding the regions of Yeni Shehr and Orchani was compelled to retire before the fire of our batteries.

"There have been no developments on the other fronts."

In parliamentary circles. In Rossland Hon, Lorne Campbell, who went back for re-election in consequence of his appointment to the cabinet, is returned by a small plurality, altho at the general election he had a clear majority over his Liberal and Socialist opponents. In Vancouver Hon. Mr. Tisdall is defeated by more than 4000,

in contrast with his majority of 2000 in 1912. In Vancouver the five provincial members are elected at large so that the entire city participated in Saturday's by-election.

The British Columbia members of parliament, all Conservative, do not minimize the result of the by-elections. They are inclined to concede the defreat of a third minister, who faces a by-election in Victoria this week. H. C. Brewster, the Liberal leader, who was defeated by Sir Richard McBride in 1912 and the control of the contr

in 1912, will, it is believed, succeed to Sir Richard's seat in the legislature. Liberals Are Elated. The Liberals are frankly delighted with the news from British Columbia and consider the downfall of the Bow ser government as certain. Conser vative members are hopeful that the general demand for cleaner government in the west, from which their party suffered in Manitoba and British Columbia, will insure to their adventige in Saskatchewen and Albarto. vantage in Saskatchewan and Alberta. vantage in Saskatchewan and Alberta.
They would not be surprised to see the remaining provincial governments in the west retire in one, two, three order. The net result, they say, will not be to their disadvantage and will have no effect upon federal politics.

The Liberals, while admitting that

local issues were to the fore in the relocal issues were to the fore in the re-cent contests, are none the less greatly heartened by the results in British Columbia and Peel County, Ontario. They are certainly more confident and aggressive than they were at the opening of the session.
