## THE COMMONS

Bills to Amend the Civil Code and the Judges' Act To Be Introduced.

[Special to The Advertiser.] Otawa, Ont., June 15. - In the Comnons this morning there was a state-Government bills.

Mr. Borden asked what further legislation the Government intended to introduce this session.

Sir Wilfrid Laurier said that it was quite possible that a bill might be introduced for the purpose of amending the criminal code; a bill also to amend the judges' act by providing for trial of cases arising in territories, and a bill to correct errors in translation of revised statutes. All these were comparatively minor matters. It was possible, too, there might also be some amendments to the railway act which might be of more importance. Apart Nova Scotia Steel rom these Sir Wilfrid did not know that the Government had anything further to introduce. They, of course, reserve the right to introduce further Toledo Railway

legislation if necessity arose. The House went into committee on the bill to amend the Yukon placer mining act.
