Ottawa, Oct.27th.1938.

Sir:-

YH

In reference to your letter of Oct.25th.reporting that Adam White,an Indian of the Gibson Band desires to be given a new permit to cut 2500 f.b.m of timber from lot 14 Cen.6,the Department has no record of having authorised the issue of a permit to this Indian last year.

It will therefore be necessary to secure the consent of the council of the band before further authorisation can be given.

Yours very truly,
