SAD NEWS COMES TO MRS. VINCENT

Telegram Tells Her of Father Dying of Injuries in Railway Accident

Sad news was brought to Mrs. Vincent, wife of Beverly Vincent, carpenter with the I. C. R., yesterday at her home in Millidge avenue when she received a message telling her of the death of her father, James Chambers, who for a great number of years had resided in Westfield, N. J. No particulars were received in the message other than to say that he had met his death in a railway accident, which had occurred two nights previously, and had died the next day.

Mr. Chambers was a former resident of Dorchester, N. B., where he made his home for some years, going to the States about thirty years ago, and residing since that time with his daughter, Mrs. W. H. Taverner, in Westfield, N. J. He was about eighty years of age. The news of the sad accident came as a severe blow to Mrs. Vincent. She last saw her father on a trip to Westfield last year.

Seventy Five Doctors Registered—The Proceedings This Morning

The present session of the New Brunswick Society, of which the last meeting was held this morning, has been attended by seventy-five doctors, and is generally felt to have been the most satisfactory session of the society yet held. MARATHONS LEAVE TO PLAY AT BANGOR

Greeks Getting New Catcher—Children's Day Next Tuesday Last For Some Time

The Marathons left for Bangor this morning and will play Bangor today and tomorrow. Although crippled for a catcher they made arrangements for a new catcher to arrive from Portland for the Bangor games, and will bring him to St. John for Friday and Saturday, so if Ben is not in shape to play at the end of the week, and this man proves good he will be retained by the club.

So far the new pitcher Charles has not been given a chance to see what he is made of. As in the last two games with St. Croix and Fredericton it was shown that had the Marathons had their regular catcher, Charles could have had two shut out games to his credit. However when he pitched again on Saturday it is hoped that the catcher will be able to hold him.

Children's day has been successful, and the last Tuesday more than 1,000 little boys and girls were admitted free. This has been enjoyed so much by the little ones that at the request of Ex-Alderman Frank L. Poy, who has engaged the Artillery Band on next Tuesday, the grounds will be thrown open again. At the same time the management are inviting all the clergymen in the city. That will be the last Children's Day for some time as the management will have allowed them to witness games played by the four teams in the league.
