HURT DRIVING CAR. Friends of Robert John Dunlop, of L4 Simonds street, will be sorry to learn of his death which occurred this inorning after a lengthy illness. He is survived by his wife, one son and three daughters. Mr. Dunlop was for thirty years an employe of the old Portland rolling mills. The funeral will be held on Monday to the Mission church, St. John Baptist.

Harry Elliott, of 205 Charlotte Street, was taken to the General Public Hospital today suffering from a broken arm. His injury was sustained while he was driving his car along Douglas Avenue, when it is said that the brake gear dropped and in some manner the lever twisted or struck his arm.

Leonid Krassin, commissiar of foreign trade and commerce, endeavored to convince the congress of the accessity for better efforts on the part of Russia to secure a rapproachment with and de jure recognition by constricts abroad. He also advised less interference by the Communist party in economic affairs. The net result of the adoption of the resolution appears to be that at least until the next congress Russia's policy at home and abroad will be the same as last year, with no yielding on the result of the Russians outlined at The Hague and Genoa conferences. Meanwhile Russia will attempt to re-establish herself slowly, rather than grant the demands of the capitalists. CE ST. JOHN RIVER ICE IS GOING Fredericton, N. Montreal, April 21—According to Montreal, April 21—According to Montreal Stan science by Scotland Yard detectives, in mid-Atlantic, of a haif million dollar consignment of cocain has resulted in abnormal prices and great scarcity of the drug in Montreal. The shipment was recently consigned to Halifax from a German port, and on arrival was to have been divided into three parts. Half was to come to Montreal, and the balance was to be divided between the United States and Winnipeg. Secret service agents working in Germany got wind of the shipment and when the steamship docked at an English scaport detectives managed to stow themselves away. In a short time they discovered the cocain, confiscated it and handed it over to the Government on arrival at Halifax. Members of the dope ring in this country waited in Halifax to within a few days before the arrival of the steamship. They then discovered that their plans had gone astray. Officers of the R. C. M.
