

--and Now IT'S UP TO YOU!

We've talked a lot about bargains—the whole province is chattering economy; NOW, it's time to act. Two of the eight big days of bargains have already passed. Don't delay too long.

Our great stock of over forty thousand dollars' worth of footwear, purchased over two years ago, is being sold by us, today, at far below present wholesale prices. Get a supply for the months of high prices to come—for the time when we will no longer be here to serve you and to save for you.

Our drygoods are still plentiful, and the prices right; few enter our store without finding something in this line that they need—and that cannot be purchased elsewhere for an additional fifty per cent.

Men's and women's raincoats, men's and boys' suits, overalls, work and dress shirts, underwear at half usual price, woolen blankets at prices that will open your eyes, and hundreds of other startling price tags that are surely sufficient for Creating a Panic among Profiteers.
