

They beg to thank all those who have kindly contributed towards the support of the institution, also Dr. Slayter for his gratuitous services during the year.

The Committee feel grateful to Almighty God for His goodness in allowing them to labor so successfully in the past, and humbly ask His guidance for the coming year.

The Matron will, at all reasonable hours, be glad to show visitors through the building and explain the nature of the work performed, and the lessons to be learned by the children who have been placed in our charge.
