Hampton's able and patriotic address, at his inauguration of Governor of South Ca

"What the verdict of the people of South Carolina has been, you need not be told.-Itahus reverberated throughout the State and its echoes come back to us from every We intend to prove to the world the sincerity of our declaration that the sole motive which inspired the grand contest
which we have so successfully made, was
not the paltry arabition of party suprematory, but the sacred hope of redeeming our
State.

this victory by a gig autic fraud and a base conspiracy. When the members elect of the General Assembly fepaired to the capitel to take their seats, armed soldiers of the Federal government confronted them.

This is the Factor Fourth time we have had mined and passed upon by a corporal of tions and tendering to them the compliments the guard. It was amid these appalling of the season. Assembly were called on to assume their duties as representatives of a free State government, and that State one of the origiThe present issue concludes the Form in a quiet and Pational manner and framed our Constitution.

Debarred from the free exercise of their rights by an armed force, a legal quarum of the lower house after placing on record a protect, quickly withdrew from the capital personance of the Sth February.

Holtory Goods.—Messrs. Olell & Turn, and leave the weekly record the General Assembly. You have seen a the General Assembly. You have seen a the General Assembly. You have seen a the General Assembly it to be glance at the New Year presents.
