These attacks would continue for about twelve hours, but would leave me so weak that I would not be able to do any work for two or three days after they passed away. These attacks came on at intervals of about two weeks, and the only relief I could get from the pain was through the use of morphine. At last finding that the doc-tor was coing me no good I decided to try Dr. Williams' Pink Pills. I used them for a couple of months, and when I discontinued their use I felt that I was cured, nor was I mistaken, for in more than a year that has elapsed since I took the last pill, I have not had a single at-tack. I now only regret tilat I did not begin the use of these Pills earlier, for not only would they have freed me from much pain, but I would have been richer in pocket as well. "RUN DOWN"

THE VICTORIA TIMES, THURSDAY, MARCH 17

A clock that needs winding runs down because its motive energy is exhausted. Men and women who have been too busy-who have worked too hard, or have been worried too much, or who have neglected to care for their physical health, or who have been too much indoors during the winter months,-"run down" also. They need a tonic.

Are you "run down" in health? If you are quickly tired, lack energy, feel weak in the back; always want something to lean upon; have a dull backache; if you digest badly and do not care for your food, IT IS A TONIC YOU NEED.

Dr. Williams' Pink Pills for Pale People

will supply just the energy you require. When you feel as if rest and a soft sofa are the only desirable things in the world; when you cannot be troubled even to hold up your head-THEN you need Dr. Williams' Pink Pills to make you feel bright, active and full of energy. They are not a purgative medicine. They make people strong.

You must get the REAL Dr. Williams' Pink Pills, or it is of no use.

Substitutes will do you no good and may do you harm. The genuine DR WILLIAMS ailing is to go for Dr. Williams' Pink pills are always put up in a package dozen boxes and took them back home with me and began their use. WEAKNESS AND DEBILITY. Mrs. J. A. Craig, Watson's Corne Ont., writes: "At the age of fifteen h daughter Teress began to show sympton, of weakness, and debility, which were al the more remarkable as before that time she had been unusually well and strong We consulted a physic an, who prescriber for her, and for a time she seemed to improve a little, then her improvement ceased, and she became worse and grew so weak that the least exertion seemed to tire her out completely and her heart would palpitate so violently that we feared she had heart disease. This state of

affairs confinued for two years, during which time she suffered a great deal, and at times we despaired of her getting bet-ter. Having read a great deal about Dr. Williams' Fink Pills, we at last thought it might be worth while to give them a trial. There was an improvement in her condition almost before the first box was completed, and after using seven boxes she was well and strong.
