Increased Interest Taken to Make This Year's Celebration a Success.

Speeches Made by Leaders Moderate in Tone—An Enjoyable Event.

Nanaimo, Sept. 3.—Labor day was celebrated here yesterday with greater enthusiasm than the events of the past two years. More interest was taken in the procession by the merchants, and they showed their appreciation of the efforts of the laboring classes by representation of their business in the procession. Among those who may be mentioned the production of the Dusky Diamonds by the New Vancouver Coal Company on a long day with rails and boxes of coal in fac simile of the underground workings, and above the boxes was suspended a handsomely painted inscription of "Black Diamonds and White Labor." Mr. James Young's turn-out was the smartest and most picturesque, and Thorne, baker, and the Scotch bakery were well represented while from the Mail office a small press was placed on a dray and a miniature special edition of that paper was distributed from it.

WILLIAM DEATH ON SOCIALISM.

Berlin, Sept. 3.—At a state dinner in the white hall of the royal castle, Emperor William, in toasting the guards, said: "If today I propose a toast to my guards, I do so with a joyful heart, for it is a day of exceptional rejoicing and brilliancy. A whole people inflamed with enthusiasm provided the frame for the day's review. The reason for their enthusiasm was the remembrance for the personality of the great emperor, now dead. He who now and yesterday gazed upon the colors decked with oak leaves cannot have done so without a heart being stirred with sorrow for the spirit and the tongue which spoke to us in their rustling."
