

Morse's Pills are Superior to all others.

night sweats or that difficult breathing, which silently whispers in your ear that something must be done to save you from the grave of the consumptive? Why act so carelessly by permitting that disease to destroy your health and hasten you to the tomb?—from whence no traveller ever yet returned.

Silence that Dreadful Cough.

Or death must carry you to the silent grave. Why delay while there is yet hope? Consumption is caused by impure humors of the blood being deposited in the cells of the lungs. Hence, the lungs are like a spring of water when roiled up by dirt and mud; if clear spring water constantly flows through the spring, impurities or mud will be conveyed away by the pure water. Just so with the blood when kept in a clear or pure state; as it flows through the lungs it carries away all impure matter, and perfect health will be the result. From two to four pills taken every night, or every other night, or enough to keep the bowels regular, will, in a reasonable time, cure consumption. The reason these Pills are used more than all others, is because they are made of purifying vegetables, and cleanse the body from all corrupt matter, and drive out disease of every description, quicker and in a milder way than other pills.

Influenza and Common Cold.

Like thieves in the silence of the night, have carried many to the silent grave.

They are caused by a sudden check of perspiration, by which the stomach is rendered inactive and the lungs become loaded with corrupt matter which enters the blood and disease is the result. For all colds, coughs and chills, succeeded by heat, and for all fevers of every form, hoarseness and rawness of the throat, lungs and stomach, and for all weakness and sickness of every kind, from three to five of these Pills on going to bed, for a few days, will be all that you require to restore you to perfect health. It has been admitted and claimed all over Europe that there never was a medicine that will extirpate all manner of diseases from the system equal to DR. MORSE'S INDIAN ROOT PILLS; that the more you take of them the stronger you grow. They are founded upon the principle that the human body is subject to but one disease, namely, corrupt humors. These Pills not only cleanse the bowels, but also follow the blood through every vein and artery, and so purify it from all morbid and corrupt humors, that disease of every name is driven from the body.

Morse's Pills did Him the most Good.

W. H. COMSTOCK.

SIR, -I have taken almost every kind of medicine I ever heard of and none of them did me any good until I tried MORSE'S PILLS. They have become in this section of the country a household article by virtue of their great merit.

Yours &c.,

HENRY PRICE.
