PREACHER'S SON SHOT.

CHICAGO, Aug. 25.—David Lindskog, son of Rev. Herman Lindskog, pastor of St. Angaricus Swedish Episcopal church for 15 years, was shot and killed yesterday by Police Officer Jas. H. Wiley. The shooting took place within thirty feet of the rectory, and the minister hearing the shot, rushed out of the house and aided the policeman to lift his dying son into the ambulance. The policeman declared he fired while defending himself against an attack by a band of young men who had been in the habit of congregating at Oak and Sedgewick streets. Wiley was badly cut and bruised in the encounter. Seeing that he was unable to cope with the gang, he drew his revolver and fired. Later three young men, said to have been companions of Lindskog in the fight, were arrested.

BRIEFS BY WIRE.

Lord Strathcona and Mount Royal, the London Daily Chronicle believes, will be appointed successor to the late Lord Harschel as head of the delegation representing British interests in the joint high commission. Emperor William has ordered that the late Emperor Frederick's Hussar regiment shall henceforth bear the title of "Queen Augusta Victoria's regiment." Chas. Eaton, aged 76 years, committed suicide last night because he found housework unsuitable to his tastes. A week ago his wife fell down stairs and broke her leg, since which time Eaton had been doing the household duties. Kansas was given another touch of summer yesterday, after three weeks of very moderate weather, accompanied by cool nights and occasional rains. The temperature in some places recorded at 106 and at Topeka the mercury touched the 105 mark. At Leavenworth there were several prostrations from the heat. An American, Mr. West, representing Senator W. A. Clarke of Montana, has left Keif, Russia, accompanying the managers of the Yankovsky Copper Co. on a tour of inspection of the Klergiz mines.

STOLE A SCHOONER.

NEW YORK, Aug. 25.—The three-masted schooner Sallie C. Marvill was stolen from the docks of the Sharpshooters, M. D. Marine railway some time on Saturday night. A special to the Tribune from Laurie, Dia, says that the vessel had just been completed and was valued at \$60,000. She was taken stealthily from her moorings at about midnight by an ocean tug. The work was so quickly done that even the bridge tender was not awakened. The Marvill was owned by Laurie capitalists.

HIS DYING MOTHER.

BOSTON, Aug. 25.—The prison doors yielded to a mother's wish today when Robert Craighton, serving a sentence at Bridgewater state farm, was allowed to visit his dying mother at Lynn today. At 10 o'clock, while on the way to Cayuga Lake park to take the trolley, the men again resumed the quarrel, during which Apple and Smelser were both stabbed with a large pocket knife. Apple died this morning and Smelser is not expected to live. Rolfe and Colgan were arrested together with two colored women and two white men held as witnesses.

HORSES NOT GOOD ENOUGH.

The imperial officers who are in Canada purchasing remounts for the British army in South Africa, today examined fifteen specimens at J. B. Ham's livery stables. Some of the animals look as though they were in need of a place like Africa in which to die, while others were only slightly better. Out of the fifteen examined the officers only selected two as suitable army horses. The price paid is not stated.

TALENTED BOY MUSICIAN.

(Gleaner.) Master Edwin E. Haines left Fredericton for New York Saturday morning, where he will make his appearance on the stage as a boy soprano singer. Professionals say that Master Haines has a rare voice, rich and clear as a bell, and he takes high C with ease. He is also an accomplished musician, having a fine touch and plays the piano like an old master. He also has excellent talent as an elocutionist, and is now completing his first composition in music.

His brother Benjamin, who is the principal creditor, has taken possession of the stock in trade and is now endeavoring to realize on it for his own benefit. Quite a number of city business men are among the creditors.

HARD TO IMAGINE.

(Tri-Bits.) Hocus—What happened when you told your mother-in-law to mind her own business? Pocus—I don't exactly know. When I recovered consciousness I was in the hospital.

CARDINAL GIBBONS.

NEW YORK, Aug. 25.—Cardinal Gibbons is quoted as saying that while he was in Rome the Pope gave him the assurance that no changes would be made by the church in the administration of religious affairs in the Philippines, Cuba or Porto Rico. The Pope also assured him that the Spanish Bishop of Manila would be retained. "My three audiences with the Pope, the last on June 20," said Cardinal Gibbons, "were the most gratifying features of my sojourn abroad. He is a wonderful man and possesses wonderful vitality. It is my intention to see that as many Catholic teachers as possible are sent to Cuba and Porto Rico to found schools. Soon after my return home I will call a conference of archbishops in Baltimore."

ADVERTISING CHRISTIAN SCIENCE.

CONCORD, N. H., Aug. 25.—The friends of Mrs. Mary Baker G. Eddy are to have a reserved section in the grand stand on Governor's day, Wednesday, at the Concord State Fair. Her request for 100 seats especially reserved has been granted. Governor Jordan will be present, and while he will be an important personage, it is likely that if Mrs. Eddy repeats her carriage drive around the track, she will be equally an attraction. Mrs. Eddy is looked for and the crowd is likely to exceed the 20,000 of last year.

JUST LIKE CUBA.

NEW YORK, Aug. 25.—Information has been received by agents of the Colombian government, according to the Tribune, that a vessel now at a New Jersey port has been engaged by the insurgents for a filibustering expedition. This ship, it is said, is to carry part of the consignment of five thousand rifles, ammunition and men, for which General Uribe Uribe telegraphed recently to Dr. A. J. Restrepo, his representative in this city.

AN AUTOMOBILE RECORD.

NEW YORK, Aug. 25.—From New York to Boston in the record-breaking time of 15 hours and 11 minutes is to the credit of H. W. Whipple and George B. Adams, of New York, automobilists. Skinner, of Boston.

SOUTH AFRICA.

LONDON, Aug. 25.—A despatch from Lord Kitchener, dated Pretoria today, says: "Three officers and 65 men who were sent north of Ladybrand, Orange River Colony, on the right of Elliott's column, were surrounded on unfavorable ground and captured by a superior force Aug. 22. One man was killed and four were wounded. The prisoners were released, holding enquiry. "Have received a long letter from Steyn containing an argumentative statement of the Boer case and saying he will continue to fight; also a short letter from Dewett to the same effect. Both writes acknowledging the receipt of my proclamation and protesting against it. He states that the Boers intend to go on fighting. On the other hand the surrenders lately have increased considerably."

THE SULTAN'S I. O. U.

CONSTANTINOPLE, Aug. 25.—The amount of the indemnity which the sultan agrees to pay the quays company for interference with its rights is seven hundred thousand francs. The sultan will pay also six hundred thousand francs to a Frenchman on account of the seizure of his land. The Quays company renounces for a year the clause in its concession regarding the transfer of the quays to Turkey, only it is believed to save appearances for the sultan.

THE HEATHEN CHINEE.

ROME, Aug. 25.—The illness of Prince Chun, brother of the Emperor of China, who, with a Chinese mission, has arrived at Basel, Switzerland, on his way to Berlin to apologize for the assassination of Baron von Kotteler, the German minister at Peking, is said in a despatch today from Basel to be a pretext for delay. The despatch says Prince Chun received orders from Peking not to proceed, as fresh complications have arisen with reference to the settlement protocol.

UP GOES TIN.

NEW YORK, Aug. 24.—Since the strike began six weeks ago the price of tin has advanced \$1.50 and \$2 a box. Since July 1 the increase in tin plate imported at New York on account of the strike has been at the rate of about 10,000 boxes a week. A large amount is known to be afloat, and advance orders have been placed for September and October delivery. The increased demand from this country has advanced the price of tin in England about two shillings a bar, and the strike is long continued, dealers here say the price will go higher. Shipments are made from England not only to this city, but also to Boston, Philadelphia and Baltimore, and undoubtedly large consignments have also been made to the Pacific ports, where the preserved fruit and canned salmon industries require a considerable amount of this metal.
