SPORTING MATTERS

VAGABOND WON THE LOVITT CUP

As a result of Saturday's race the Lovitt cup will for this year be in possession of Rear Commodore A. H. Merrill, whose boat Vagabond captured first place.

The Winogene, owned by Howard Holder, gained second position and the Robin Hood, owned by Ald. Lantalum, received third place. The Fei Yuen, owned by H. Beverly Robinson, was disqualified, having fouled the Milkish buoy on the third time round.

The judges, Horace King and Louis D. Munro, together with Commodore Thomson, followed the race in F. J. Harding's gasoline launch. Louis D. Munro and John Kimball acted as timers.

Summary of Race

The summary of the race is:

	Elapsed Time. H. M. S.	Actual Time. H. M. S.
1. Vagabond, Rear-Commodore Merrill.	1 58 22	1 56 25
2. Winogene, Howard Holder, Capt.	1 59 39	1 59 39
3. Robin Hood, Capt. T. T. Lantelum.	2 09 37	2 05 30
Dis. Fei Yuen, Capt. H. B. Robinson.	2 00 10	1 55 39

The time allowance was:
Winogene, scratch, allowed Vagabond 1 min. 57 sec.
Winogene, scratch, allowed Robin Hood 4 min. 57 sec.
Winogene, scratch, allowed Fei Yuen 4 min. 31 sec.

The race has been qualified as one of the closest ever sailed in the history of the club, and remembering that there was less than two minutes elapsed time between the first three boats crossing the line, it would seem this statement is correct.

GOOD TIME MADE IN DISTANCE EVENTS

The Every Day Club sports were held on the Victoria grounds Saturday afternoon, and with the fine weather proved very exciting, some of the events being particularly interesting. It is to be regretted that so small a crowd was on hand as the sports are by all means the best that have been seen here for some years. It is to be hoped that the sporting public of the city will do more in the future to back up athletic functions of this nature.

There were in all about forty-five entries for the different events, St. John, Carleton, Fairville, McAdam, Hampton and Sussex being represented. The grounds were in excellent condition, a fact which had something to do with the success of the events.

The officials chosen were as follows: Referee, C. J. Milligan; judges, Mayor Sears, Ald. McGoldrick and J. N. Harvey; starter, Arthur McHugh; timers, D. B. Donald, H. F. S. Paisley and Edward Ryan; clerk of course, C. A. Seely, Edw. McAfee and B. L. Sheppard; announcer, H. Rising.

The events were run off in good shape and resulted as follows:

St. Rose's, 9; F. M. A., 8.

There was a good attendance at the Inter-Society League game on the Shamrock grounds Saturday evening, when the St. Rose's defeated the F. M. A. team by a score of 9 to 8.

The F. M. A. team went to bat first, and for the first two innings were quickly retired while the Fairville boys made eight runs in the two innings. Three hits, a base on balls and an error gave four runs in the first inning, while two hits, a base on balls and three errors gave four runs in the second inning.

The city team braced up in the third inning and O'Keefe found it difficult to get the ball across the plate. He gave five men a pass to first, forcing runs in. These with a two bagger, two singles, and good base running gave the F. M. A.'s five runs. The St. Rose's were blanked in the third.

In the fourth inning O'Keefe was still unsteady. He gave three bases on balls and hit a man. These with a single landed two more runs in and made the score 8 to 7 in favor of the St. Rose's. The St. Roses' in this inning got a run in with the assistance of a hit and an error.

Two singles netted another run for the F. M. A.'s in the fifth, but they failed to score in the sixth when the game was called, and the St. Rose's won 9 to 8.

CRUISING RACE ON DOMINION DAY

This is the Most Important Yacht Race of the Season

The next yachting event is one of the most important of the season, being a cruising race from the Cedars to Millidgeville on the first of July. Already eight or ten entries have been received, and it is expected that over twice this number of boats will start in this race. The time allowance is given at the start; the boat with the lowest rating starts first and is followed at intervals corresponding to the amount of time allowed the preceding boat by the other yachts entered. Owing to the extra work entailed by this, the entries for this race will close on Thursday, the 27th inst., at 6 p. m.

It is expected that there will be a large number of salmon boats in this event, as arrangements have been made whereby the Westfield Outing Association's race for this class of boats will be started with the R. K. Y. C. salmon boats. Most of the salmon boats belong to both clubs and they will thus be participating in two races at the same time.

The Westfield Outing Association's finish line will be off Brundage's Wharf, at Westfield, while the R. K. Y. C. race will finish at Millidgeville.

Suitable prizes in the way of yacht fittings have been offered for the R. K. Y. C. and these will be presented to the winning boats at the finish of the race.

Entry forms may be obtained in the city clubrooms, in the clubhouse at Millidgeville, from the secretary, Heber S. Keith or from the secretary of the sailing committee, J. H. Kimball.

WESTFIELD OUTING ASSOCIATION.

Course is:—From "The Cedars" down the St. John River to Westfield wharf. Open to Class A. sail boats in cruising trim (as per Reg. XXXI. R. K. Y. C., with the exception of cabins). No limit to number of crew. Start at 12 o'clock noon. All boats to start together.

The starting signal shall be given from "The Cedars" wharf, or from a yacht moored at the wharf.

Fifteen minutes before the start a signal flag will be hoisted as preparatory signal. Five minutes before start the preparatory flag will be lowered and a gun fired. At the expiration of five minutes exactly, a gun will be fired for the start.

As this race will be started at the same time and place as the R. K. Y. C. cruising race, the sailing committee of that club have kindly consented to start the boats entered for this race with the salmon boats entered for their race, all to start together, therefore the conditions of the start will be subject to their regulations.

The finish of the race will be at an imaginary line drawn from Westfield Wharf to a mark on the opposite shore.

Three prizes will be awarded if four or more boats start.

Entries must be made with the secretary of the sailing committee before six o'clock p. m. of Thursday, June 27th, 1907. Entry forms will be provided upon application to the secretary.

Each boat is required to carry three life belts or one life buoy.

Boat owners or sailing masters will place their boats at the disposal of the sailing committee for inspection and measurement before the race.

The owners of every winning boat are required to file with the secretary of the sailing committee, within 24 hours after finish of race, a certificate that all the members of his crew are amateurs, and shall also sign a declaration that all the sailing regulations have been complied with.

If doubtful on any point, read the sailing regulations, or ask for information.

Boats entered in the W. O. A. race shall be governed by the Association Rules of the road, as regards all other boats entered in this race.

As regards boats not entered in the W. O. A. race, International Rules apply.

No time limit.

Boats entered must be properly enrolled and recorded (Rule 4.)

The officers of the day are:—

Must have three starters or no race.

Boats to be fully equipped with number, life buoys, boat, (tender) and dunnage.

Address E. E. Church, secretary of the sailing committee, Box 46, St. John, N. B., or Westfield Centre, N. B.

AN ATTEMPT TO BURN THE STEAMER CRYSTAL STREAM

Was Discovered About a Month Ago—Crew Believe the Recent Disaster Was Due to Incendiarism

Captain Mabee, Engineer Roberts and other employes of the ill-fated Crystal Stream support the theory that the fire which destroyed that steamer and caused four deaths was of incendiary origin. While making a round of the boat, early one morning about a month ago, Captain Mabee found marks of fire on the steamer's woodwork. The night previous, Mrs. Chase, the stewardess, heard sounds outside her stateroom about twelve o'clock. She went out on the deck but saw no one. Capt. Mabee and Engineer Roberts have stated their belief that the fire was of incendiary origin and some sensational evidence will probably be obtained at the inquest. The inquiry is to be resumed on Tuesday night at Cole's Island. Mate McAlary will probably be able to attend.

The funerals of the four victims have been held. The remains of Wm. Baxter, of Day's Landing, were interred in the burying ground at that place on Saturday afternoon. The Logan brothers were buried at Land's End yesterday afternoon and William Smith's funeral took place from his home at Cole's Island yesterday. The bodies were conveyed to the homes on the steamer Springfield on Saturday morning.

At a meeting held in the Tabernacle U. B. Church yesterday afternoon it was decided to form a new organization of the Temple of Honor. Addresses were delivered by George T. G. Blewett, G. W. T., and S. E. Logan, chairman of the junior committee. Rev. J. W. Keirstead will act as governor of the new lodge, which twenty boys have already signified their intention of joining.

Rev. R. P. McKim, rector of St. Luke's church, held a special open illustrated service last evening. The speakers occupied a pulpit on a raised platform between the church and the new bank building. The illustrations were thrown on canvas on the side of the church. A large number of people congregated at the service.

A hurry up call was received at Central Station on Saturday evening about half past ten from Germain street and Sergt. Caples and Officer Crawford responded. Dr. Scammell there called the officers' attention to a suspended light in the house of Dr. Manning, who with his family are spending the summer in the country. The police took all precautions and were quite prepared to arrest two or three bold burglars. Inquiry, however, showed that the gas light left burning in the cellar, probably by mistake, gave no cause for alarm.

Saturday afternoon a street car collided with a team owned by James H. Pullen. Both were coming down Main street, when the accident occurred. The team was on the car track, and the driver hearing the car coming behind, immediately pulled off. This swung the rear end of the wagon farther on the track and before it had cleared, the car ran into a ladder projecting from the end of the wagon and forced the team over to the sidewalk. The passengers noting the danger, sprang to the opposite side of the car and escaped injury. Two wheels were broken on the wagon, and the rungs were ripped out of the ladder.

At Cumberland Bay, on the 13th inst., the house owned by Willard Colwell, but of late occupied by the Rev. J. Harry Puddington, pastor of the Baptist church of this place, was burned. Mrs. Puddington and children were away for the day, the former being in attendance at the district meeting at New Carlisle. Fortunately, however, he came home by train about half an hour before the fire, which is supposed to have been set by a train. Mr. Puddington lost very heavily, and had no insurance on his furniture. The house was insured. The many friends of Mr. Puddington are talking of helping to make up his loss. It was last year that Mr. Puddington had sickness and death in his family.
