## WEDDINGS.

Reynolds-Estabrooks.

A wedding of much interest took place at 4 o'clock yesterday afternoon at the residence of Mr. and Mrs. T. H. Estabrooks, 102 Mount Pleasant avenue, when their daughter, Marion Eleanor, became the bride of Hugh Robert Reynolds, formerly of Geneva, N. Y., but now of this city. The bride, beautifully gowned in white crepe de chine with a train of white tulle, was attended by Miss Florence Condon, of Geneva, N. Y., who wore a gown of pink satin with overdraped orchid tulle, and hat of orchid tulle trimmed with silver ribbon. The bride carried a shower bouquet of white roses and snapdragons, while the bridesmaid carried an old-fashioned bouquet of pale pink roses, forget-me-nots and ranunculus. The groom was escorted by Louis Titus, Master "Toby" Rising and Little Miss Eleanor Rising acted as ribbon-bearers. The ceremony was performed by Rev. F. S. Porter, assisted by Rev. S. S. Poole, in the presence of a large number of invited guests. The wedding march was delightfully rendered by Miss Valda Fenton. The house was very prettily decorated with apple blossoms, lilacs, palms and forget-me-nots. The ceremony was performed in the drawing-room, the bridal couple facing a window trellised with apple blossoms. After the ceremony the bride and groom left on the Montreal train for an undivided destination. On their return they will reside in Wright street. Among the many beautiful presents was a handsome clock, the gift of the bride's father, Mr. and Mrs. C. S. Young, of Geneva, N. Y.; Mrs. William Crothers and Mrs. R. W. Hama, of Bristol, Conn.; Miss Hazel Gibbon, of New York, and Miss Emma Estabrooks, of Oromocto.

Beamish-Arsenault.

A quiet but very pretty wedding was solemnized in the Cathedral of the Immaculate Conception yesterday morning at 7 o'clock, when Miss Mary Charlotte, daughter of Mr. and Mrs. Louis Arsenault, became the bride of John H. Beamish. The ceremony was performed by Rev. Father Duka. The bride was attended by Miss Kathleen O'Brien, niece of the groom. The groom was supported by James Bradley. After the wedding a wedding breakfast was held at the home of Mrs. James O'Brien, sister of the groom, after which the newly-married couple

## Police Court

## Cases Yesterday

Chinaman Charged With Refusing to Give Satisfactory Account of Himself — Sharp Case Resumed — Policeman Charged With Selling Booze.

The ordinary routine of the police court was interrupted yesterday afternoon by an incident which created quite a stir. On the opening of the court a case against Soo Hoo, the Chinese proprietor of the Prison Cafe, Charles street, was taken up. The Chinaman was charged with being on the street late at night and refusing to give a satisfactory account of himself, also with having refused to move on when ordered to do so by a police officer.

Evidence was given by Police Constable Linton, who made the arrest, and by Police Sergeant Sullivan. G. H. V. Belyea was conducting the defence and put several questions to witnesses which the court took exception to as being irrelevant to the case. On counsel persisting in his questions, the magistrate instructed the clerk that they need not be taken down as evidence, whereupon Mr. Belyea handed the defence of the case over to what the magistrate termed "minor counsel" and left the court room. E. S. Ritchie, the lawyer for the defendant's counsel requested to continue the case, elicited from the defendant that the officer had accused him while he, the defendant, was going home from work, and that his work necessitated his being on the street at a late hour. The case was postponed to Thursday at two.

A case against Police Constable Hogg was resumed. When Bentley Hogg was charged with being drunk and living in the same house with him. He said he gave Hogg \$5 for a bottle of whiskey but could not recall the day or the month. It was this year. He asked for Perfection but received a mixture. He was not sure of the date, it was sometime in the vicinity of May. Asked by J. A. Barry, counsel for the defence, if it was the 28th of January, witness replied it was. Later he stated he did not know when it was. Witness said he paid Hogg for the liquor in his porch. He did not know when the defendant brought the whiskey, but he was paid the same day.

Cline Hamilton, the next witness, said that he was at the house of the previous witness, his uncle, when the defendant brought the whiskey. He went to the door and returned with twenty-five cents in change and the bottle of whiskey. Whiskey was found in the bottle and witness said it was to be whiskey. There were two others present at the time.

Inspector McAlnah stated he went to the Bentley home in consequence of information received, accompanied by Inspector Kerr. Witness told him that he was an inspector and asked what was the trouble. She said she wanted to lay information against Officer Hogg who had sold him today at four o'clock. J. A. Barry for the defence, W. M. Ryan for the prosecution.

White Mills, June 7.—In consideration of the twenty-fifth anniversary of their wedding, a large number of friends of Mr. and Mrs. J. A. Barry, of White Mills, gave them a surprise party on Saturday evening last. The party numbering nearly a hundred, had a most enjoyable time, and after refreshments had been served, the Rev. Henry Water, Rector of Kingston, on behalf of the community, in making the presentation of half a dozen dining room chairs, spoke of Mr. and Mrs. White as being noted for their kindness and hospitality, and said how gratified they must be to see such a large number assembled to congratulate them, and to wish them every good wish on this happy occasion. They received several other gifts including a Broad Tray, Pyrex Ware, Toilet Set, etc. The company before leaving sang Auld Lang Syne and dispersed shortly before midnight.

## General Details

## Are Completed

Everything About Ready for Provincial Summer Camp of the Boy Scouts to be Held in Jenkins Cove on the Belleisle Bay.

The general details for the Provincial Summer Camp of the Boy Scouts have been practically completed. A number of available sites were under consideration for some time but it has now been definitely decided that the camp will be situated on Jenkins Cove on the Belleisle Bay. Assistant Commissioner H. O. Samuels, J. P. Atherton, of Sussex, and L. W. Narraway, assistant secretary made a final inspection of the site during the week-end. It is an ideal spot for a boys camp. The swimming facilities would not be improved upon. There is a fine beach and there is no dangerous current to contend with. Boats will be available for the more prudent swimmers. While the bathing is absolutely safe, nevertheless, it will be under the supervision of capable instructors. Bordering the cove there is a fine stretch of woods offering exceptional opportunities for wood-craft training.

The dates set for the camp are from August 5th to 15th inclusive. It is open to every boy scout in the province. Scouts may come to the camp as individuals in which case they will be attached to a special group; or all eight or more come from one group they can carry on as a troop. They will then have a special place above them in the camp and can "carry on" by themselves. Though the camp will be under the supervision of the camp authorities only a certain part of the day's programme will be mapped out by them; during the remainder of the day the boys will work under the direction of their own troop leader. Two of the daily meals—probably breakfast and dinner—will be cooked by an experienced camp cook. The scouts will cook the other meal themselves in order to gain experience in this line. During the camp special attention will be paid to wood-craft and scouting games in the woods. A number of very good instructors in nature study and camp craft will be on hand and the boys will no doubt profit greatly from their experience.

During the camp there will be a number of training courses open to all boy leaders as well as prospective leaders. The course will deal largely with the proper leadership of a patrol. H. O. Samuels, assistant commissioner, will be in charge of the camp and he will have several assistants. The officers of the association are very enthusiastic about the camp idea. Though it is a new departure here very successful camps have been held in Quebec during the summer months in recent years.

Last year the boys' leaders' camp was held at Chipman but it was rejected this year as the swimming was considered too dangerous there for the boys. Moreover the Belleisle Bay is quite convenient to St. John where the majority who will go to the camp come from. The boats go up there several times during the week and the parents of the boys can have an opportunity of visiting the camp if they wish.
