

THE WEATHER

Toronto, Jan. 15.—The disturbance which was over the Huron River district Saturday morning has moved eastward to the Lower St. Lawrence Valley, accompanied by high winds and snow flurries. The weather has been somewhat colder in Washington and Saskatchewan while in Alberta it has continued mild.

Forecast
Below zero.
Maritime—Fresh westerly winds, mostly fair and somewhat colder.
Northern New England—Fair and colder Monday; Tuesday fair, fresh west winds.

AROUND THE CITY

C. P. R. CONVENTION.
Tomorrow the C. P. R. will hold a meeting of officials and employees, in the freight offices, Mill street, in a get-together convention.

REPAIRS STARTED.
Repairs to Nelson wharf, West Side, were commenced Saturday by a crew of city workmen under the direction of R. W. Lee. The work is being done by day's work and by this week about fifteen men will be employed on the job.

MILITARY DESERTER.
John Currie gave himself up to the police Saturday as a military deserter from the Royal Canadian Garrison Artillery. Currie was serving with this unit when he deserted at Halifax July 7, 1920. He will be held here pending the arrival of a military escort from the Halifax citadel.

TRAFFIC CASE.
Arthur Ingraham was before the police magistrate Saturday morning on a charge of driving automobile No. 10573 on the wrong side of City road, on Friday afternoon, and while there running into and damaging a city team driven by William Saunders. He pleaded guilty and was fined \$10. Mr. Saunders made the complaint.

DISCUSSED PROBLEMS.
The city commissioners met Saturday afternoon and discussed various problems which will have to be met in making up the estimates for the coming year. Among the matters taken up was the question of salaries, and it is understood there is to be a revision downward, but to what extent and how big the cut has not yet been determined.

JOINS CANADIAN MARINE.
C. B. Allan, Secretary of the Navy League, said Saturday morning that a lad named K. Young, of this city, would leave soon for Halifax to sign on as an apprentice on the new C. G. M. steamer Canadian Constructor, which is now at Sydney on her trial trip. The crew will be signed on when she arrives back at Halifax next week, and Mr. Allan has succeeded in getting a berth for the boy.

VITAL STATISTICS.
Forty-two marriages, twenty-five births—fourteen females and eleven males—are reported by the Board of Health for the week ending Jan. 14. Sixteen deaths are reported for the same period from the following causes: Pneumonia, three; senility, two; diphtheria, two; apoplexy, paralysis, premature birth, Bright's disease, chronic endocarditis, carcinoma of prostate gland, malignant disease of colon, fracture of neck of femur, acute obstruction of bowels, one each.

HELD PANTRY SALE.
The Social Committee of the St. John branch of the Catholic Women's League, held a pantry sale in the lobby of the Imperial Theatre, at ten o'clock Saturday morning. The proceeds will go to the funds of the League. Mrs. Frank H. Potter was in charge, and was assisted by Mrs. H. Atkinson, Mrs. W. P. MacDonald, Mrs. Frank I. McCafferty, Mrs. John Stack, Mrs. John MacDonald, Jr., Mrs. M. Donovan, Mrs. T. C. Fox, Mrs. A. Carlin and other ladies of the League. The sale was well attended, and the stock was soon sold out. Among the articles offered for sale were some black eyed Susans, made of black socks, which formed the centre of the flower, and with paper petals. These attractive flowers resembled the original very much, and not a few persons spoke of the clever idea.

REFUSED CALL TO MOOSE JAW.
The question of Rev. J. A. MacKeigan leaving St. David's church to the Presbytery, it was reported yesterday, Mr. MacKeigan refused to consider the call from the Moose Jaw church, but that body was not satisfied and passed the matter on to their Presbytery, and a formal call is to be made. This will have to come before the St. John Presbytery and deal with in the regular way.

Division No. 5 Officers Installed

Large Attendance at Meeting of Fairville Hibernians Yesterday Afternoon—County President Stanton Installing Officer.

The annual installation of officers of Division No. 5 A. O. H. Fairville, was held in St. Rose's Hall, Milford, yesterday afternoon. The ceremony was conducted in an able manner by County President John Stanton. The officers installed were as follows:

President	John Stanton
Vice-President	James G. Hanton
Recording Secretary	Wm. McManus
Financial Secretary	Joseph McGinley
Chairman Standing Committee	Patrick Kane
Treasurer	Daniel Murphy

Joseph McGovern, Sergeant at Arms; James McGovern, Sentinel; Rev. Father Collins, Spiritual Director. After the ceremony, Rev. Father Collins gave an interesting address, speaking on the spiritual obligations of the members. Addresses were also given by John C. Ferguson, president of Division No. 1; Wm. J. Evans, Nicholas Ryan and Daniel Murphy. There was a large attendance and several members of Division No. 1 were present to watch the proceedings. Before the meeting was brought to a close on motion of Daniel Murphy, seconded by Nicholas Ryan, a vote of thanks was extended to County President Stanton for the efficient manner in which he carried on the installation proceedings.

Municipal Council Finance Committee

Will Send Estimates Amounting to \$417,927.44 for Adoption as Compared With \$416,326 Last Year.

The Finance Committee of the Municipal Council completed their labors at a session held on Saturday morning and will send estimates amounting to \$417,927.44 to the Council for adoption as compared with \$416,326 for last year.

Councillor Schofield presided and Councillors Bulk, Jones, Frank Thornton, O'Brien and Donovan were present. The session Saturday morning disposed of a contingent account totaling \$45,158.50; last year the contingent account was \$39,596. The difference is made up largely of cost of criminal trials.

A big cut was effected in the hospital warrant, through economies effected by both council and the Board of Hospital Commissioners. The 1921 warrant was \$157,165; this year's estimate is \$122,961.

Increases in this year's estimates are due to a considerable extent to the Lunacy warrant, which this year is \$19,235 and last year was \$10,050; the school warrant, which has increased from \$16,092 to \$23,000, and a Housing Board warrant of \$10,000, for which there was no provision last year.

W. H. Allingham, Stipendiary Magistrate for Lunacy, was granted a hearing regarding returns of his court. He said he had made returns and that instead of owing the county money the county owed him. It was pointed out that he had not made returns since 1918, and was instructed to pay all monies collected to the County Treasurer, to make out his own bills, and they would be paid, if correct. He was instructed not to pay himself out of his collections.

It was decided to place the turnkeys in the position of watchmen, and to pay them at the rate of \$3.30 a day. This is a reduction.

The salary of the Clerk of the Peace was reduced from \$400 to \$350 a year.

A petition was received from T. S. Simms & Co. Ltd., requesting that they be given a renewal for ten years of their fixed valuation offering to pay double the rate for the ten-year term which operated from 1912 to 1922. Referred to Council.

Extra High Tide Caused Damage.
Face of No. 1 Berth Sand Point Moved Out—Will Not Interfere With Steamship Business.

The extra high tide and sea in the harbor yesterday morning did considerable damage to No. 1 berth, Sand Point. While the crib work at the bottom of the wharf is solid, the face of the wharf moved out several inches.

City Superintendent Beyer had his men at work with heavy wire hawsers, block and tackle, managed to pull the top fairly well into place so as to prevent any further damage. Considerable repairs will be necessary to this part of the wharf, but the damage is not so bad as to prevent ships from being worked there. The steamer Gracia is at present moored at No. 1 and is taking in cargo.

Special Sermon In Main Street Church

Last Evening Rev. Dr. David Hutchinson Preached on "Why the Church Should Back Up the Sunday School."

A special sermon on why the church should back up the Sunday School was delivered last evening at the Main Street Baptist Church by the pastor, Rev. Dr. Hutchinson. Music for the service was supplied by the Sunday School choir, and the large audience present was surprised and delighted at the splendid manner in which they performed. The special musical number was a procession of hymns, first by Miss Eva Lettany and Mrs. Lee Hunter, a solo by Miss Edna Waters and an anthem by the full choir.

Dr. Hutchinson in his address dealt with the needs of the Sunday School and gave some reasons why the church should stand behind the school in its work. The first great need of the school was for enlarged accommodation. The need for this had been felt for some time and if the school was to continue to move ahead it must be provided. The Sunday School family had outgrown its home and if all the members were to be present at any one session they could not be accommodated. Plans had been prepared for an extension which would meet the present needs in that line and these had been approved by the church at a business meeting and he urged hearty co-operation when the members of the church were called on by the building committee for subscriptions. The school itself had not been idle in the way of raising money and they had on hand about \$4,500 to give the work a start.

He then proceeded to give some of the reasons why the church should support the Sunday School.

It was the sentiment of the church and as much a part of it as the prayer meeting or another branch while working for the church should be looked after by it. It was the church at work. The officers and teachers were members of the church working in the interest of the Kingdom of God.

The church of the future was in the Sunday School. From it must come the men and women who would fill the places made vacant by death and other causes in the ranks of the workers and office bearers of the church. It had been estimated by one authority that 87 per cent of all the members of the church came in from the Sunday School.

Another reason was that the only religious training that many children received was in the Sunday School. The fourth reason he gave was that childhood and adolescence was preeminently the age of impressionability and the impressions made on the mind at the time lasted all through life.

The last reason was that when the Sunday School was the means of bringing a boy or girl to the Saviour not only was the soul saved but a life as well, a life to be lived for the glory of God and the upbuilding of the church.

Weather Proved Very Changeable.
Temperature Ranged from 4 Above to 40 in 48 Hours—City Enveloped in Fog.

St. John in the last forty-eight hours has been visited by several sorts of weather, the temperature ranging in that period from four above to forty above, and four inches of snow falling. Saturday morning the weather took the form of a fog, and the snow began to fall about noon, snow began to fall and the storm kept up until 4.30 in the afternoon. In that time the fall amounted to four inches, but it was very light and the night it was about all gone again, the January thaw which set in melting it rapidly.

Early Saturday evening the mercury began to tumble downward, and at 6 o'clock yesterday morning it dropped to four above the cipher. This sudden drop was responsible for the heavy fog which visited the city and made it hard to see where one was going about the streets. At one time this fog was so thick that it was impossible to see across the street. Yesterday morning the temperature began to rise and quickly went to 40 above, a regular January thaw, and the snow of Saturday melted like the proverbial morning dew. The wind blew in squalls all day, at times as high as 23 miles per hour, from the southwest, and it kicked up quite a sea in the harbor and around the break water.

STREET CARS WERE STALLED.
Any person who happened to be in vicinity of Market Square last night at 9.45 o'clock, and who wished to avoid walking on the slippery streets, had the chance of no less than ten street cars to take him in whatever direction he wished to go. The supply was not promiscuously, however, but was due to the fact that a car bound from Fairville was unable to proceed in either direction, owing to some trouble the motorman seemed to be experiencing with the mechanism. Traffic was blocked for only a few minutes, however, and prompt work soon had the cars going on their various routes again. The cars were having much trouble yesterday owing to the great quantity of water that lodged along the tracks.

CALENDAR RECEIVED.
The Standard is indebted to the T. H. Estabrooks Co. Ltd., ten importers, for the attractive calendar the firm is issuing for the year 1922.

Interesting Talk To Tuxis Boys

Dr. H. H. Farris of County Hospital on Saturday Gave An Address on Health.

Dr. Farris of the St. John County Hospital in speaking to the Tuxis Boys in the Y. M. C. A. on Saturday night said that unless a man had good health he could not succeed. Much of the sickness of today was entirely unnecessary and due to carelessness and neglect. He spoke of the importance of using fresh air which, in St. John, had such a bad name. People who were afraid to use the fresh air which has the correct amount of moisture, were not to sleep in a small six to room with the windows down, breathing in poison, and having the temperature up to 70 or 75 degrees when it should never be above 66.

He gave the boys several tips for keeping warm when sleeping out of doors, and said that if more people slept outside and used our St. John climate in summer, he said, was ideal for the working man as it never reached the high temperatures which other cities had to put up with. Dr. Farris also gave the boys valuable information on food, rest, bathing, alcohol, tobacco and the effect of a person's mental attitude on their physical health and vice versa.

These health talks are a part of the Tuxis and Trail Ranger program all across Canada during the month of January and St. John is indeed fortunate in having available in such an authority as Dr. Farris to speak to the boys.

After the talk, the boys went to the gymnasium and took their tests for the Tuxis Running Badge. Several good scores were made, based on an average made on the 100 yd. dash and the 60 yd. potato race. During the evening the Ladies' St. John Trail Rangers defeated the Portland St. Trail Rangers in the Trail Rangers basketball league.

Sermons of Interest Preached Yesterday

"The Unemployment Question and the Church" Was Evening Subject in Waterloo St. Baptist Church.

The congregation of the Waterloo Street Baptist Church enjoyed two forcible and interesting addresses, delivered yesterday, by the pastor, Rev. John A. Sweetnam. At the morning service, the subject was, "The Great Need of the Church." The pastor said that what was needed in the church today was a revival of the old-time religion. He stated that the days of revival were not over, and that it was possible, even today, to have a revival if the church was prepared to make herself ready.

The subject in the evening was, "The Unemployment Question and the Church." The speaker said that the great question facing the cities of the Dominion was the unemployment situation prevailing at the present time. Many thousands were unemployed because of the lack of work, said the pastor, and the unemployment question was facing our churches but from a different standpoint. He said that the church was full of unemployed members, not because of the lack of work but because so few are ready to assist in any definite form of Christian endeavor. The church was full of worshippers, but there were few workers and many shirkers. The call of the church today was for men to enlist in the service of Christ.

Both services were largely attended and excellent music was rendered. At the evening service the pastor announced that he would deliver a series of three addresses for the following three days, the subjects being, "The Seven Wonders of Heaven," "The Seven Wonders of Hell," and "The Passport to Heaven."

Hebrew Emigrant Aid Society

Annual Meeting Largely Attended—Address by S. Cutler—Reports Received—Officers Elected.

The annual meeting of the Hebrew Emigrant Aid Society was held in the Synagogue vestry rooms last evening and, despite the bad walking weather, was largely attended. The members listened to an interesting address by S. Cutler, representing the head office of the society at Montreal. After routine business had been transacted and the recording secretary's report for last year had been read, the election of officers for the coming year took place.

The recording secretary's report showed that, from December 4, 1920, to November, 1921, the arrivals at St. John numbered 5,533 Jews. Out of these, 40 were deported; 2 died here and 12 were transferred to the Quebec district. The majority of the arrivals were booked for Ontario and Quebec, while New Brunswick got 13 and a number were sent to Saskatchewan.

The election of officers resulted as follows:

M. Bedorick, president.
A. Poyas, Vice-President.
I. Elman, Financial Secretary.
B. Jacobson, Treasurer.
Mr. Boyaner, Recording Secretary.
Executive Board—Mrs. R. Jasson, Mrs. B. Jacobson, Mrs. I. Elman and Messrs. Lewfield, Vangard and Davis.

The Skates for Speed and Pleasure

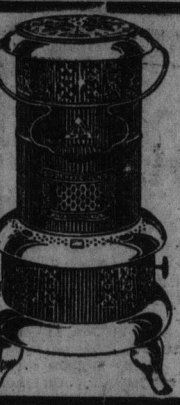

STARR SKATES have long been preferred by speed and pleasure skaters alike, standing highest in model, quality and finish. Our Starr Skate line embraces in Boys: "Demon," (plain, sizes 7 1/2 to 11 1/2), \$1.70 "Demon," (Nickel Plated), sizes 1 1/2 to 11 1/2, \$1.90. "Buildup," (nickel plated) sizes 7 1/2 to 11 1/2, \$2.10. "Climax," (nickel plated), sizes 8 to 11 1/2, \$2.50. "Scout," (nickel plated), sizes 8 1/2 to 11 1/2, \$4.00. Whipple's Long Beach Skates, sizes 13 to 14, \$2.50. Wood Tops, \$2.00.

LADIES' STARR SKATES
"Regis," (nickel plated), sizes 8 1/2 to 10 1/2, \$2.25. "Glasgow," (nickel plated) sizes 8 1/2 to 10 1/2, \$2.50. "Tuba," (nickel plated), sizes 9 to 10 1/2, \$7.00. "Tuba" Aluminum Finish, sizes 9 to 10 1/2, \$6.00.

MEN'S STARR SKATES
"Mac-Mac," (nickel plated), sizes 10 to 11 1/2, \$5.00. "Regal," (nickel plated), sizes 10 to 11 1/2, \$5.00. "Velo," (nickel plated), sizes 10 to 11 1/2, \$6.50. "Imperial," (nickel plated), sizes 10 to 11 1/2, \$6.00. "Tuba Hockey," sizes 10 to 11 1/2, \$6.00. "Tuba," (nickel plated), sizes 10 to 11 1/2, \$6.00. "Tuba," (nickel plated), sizes 10 to 11 1/2, \$6.00. Also Long Beach Skates, sizes 15 to 16, \$4.00. Also the Genuine Alfred Johnston Racing Tube Skates, complete with boots. Also a full line of hockey sticks for men and boys.

W. H. THORNE & CO., LTD.—Hardware Merchants

Mean—Cozy Comfort and Health
Give inexpensive and ample heat for health and home comfort.
Light, easily carried from place to place, give ten hours or more of cheery warmth on a gallon of coal oil.
A Perfection Oil Heater is warmth insurance in any room.
NO DIRT, LITTER OR ASHES
Emerson & Fisher, Ltd., 25 Germain St.

It Gets You There Because—

You've a certain business goal in view. Newspaper advertising comes along and helps you to get there quicker than you could by any other method.

BECAUSE: Your goal depends in part on other people's acceptance of your offerings.

BECAUSE: Some form of publicity is required to reach those people.

BECAUSE: Systematic newspaper advertising takes entire charge of the job and does the reaching.

BECAUSE: It goes side by side with every effort you make to expand, supporting each move.

BECAUSE: It tells any story you wish to make known, and does it quickly and energetically.

BECAUSE: It multiplies the strength of your personality.

BECAUSE: It saves your energy for satisfying your friends instead of hustling for chances to make them.

BECAUSE: It does in weeks or months what would otherwise take years.

It is because of these "because's" that newspaper advertising has become the right bower of business—the winning card in any commercial situation.

Whoever tries to do without it ties his own hands, blinds his own eyes, throws away his surest weapon.

If you want to reach the people in this province use

The St. John Standard

PERSONALS

Mrs. Daniel Mullin, accompanied by her three daughters, left on Saturday night for New York, where her eldest daughter, Berly, will resume her studies at Manhattanville Sacred Heart Convent. The Misses Catherine and Constance Mullin will enter on their studies at Eden Hall Sacred Heart Convent, Philadelphia.

J. LeRoy Henderson, Jacques River, who has been visiting in the city, returned to his home Saturday evening.

Antigonish Casket: Rev. M. A. MacAdam, rector of the cathedral, left Monday morning for Boston, where he entered Carney Hospital for medical treatment.

Graphic, Campbellton: Miss Lily Ferguson left this morning for St. John, where she will be the guest of her sister, Mrs. O. J. Lawson.

The marriage of Miss Ethel MacKenzie, fourth daughter of Sir William and the late Lady MacKenzie, Toronto, to James Adams, Toronto, will take place at an early date. Mr. and Mrs. Adams will immediately sail for Brazil, where they expect to stay on a trip to New York.

ROCK CUTTING WORK IS DISCONTINUED

Work on the rock cutting at the head of Rodney street, west side, will be discontinued for the present on account of some damage which was done by blasting on Friday of last week. Commissioner Frink announced yesterday. This work was undertaken against his judgment but given on account of a petition which was received from residents of that part of the city and to provide work for men out of employment.

Friday afternoon a blast did damage estimated at \$120 to the house and furnishings of F. H. Gardiner, and he has sent a bill to the city council for that amount.

I. O. O. E. Provincial meeting, Stone Church School room, Tuesday, 8.30 o'clock.

"White Star" wins Sea Point window, corner Union and Water streets. Clifton House, all meals 60c.
