Dr. Trotter and Rev. W. T. Stackhouse addressed the Baptist Sunday school in the afternoon, and Rev. W. N. Hutchins, Canning, N. S., occupied the paptist pulpit at the evening service.

mended the acceptance of the tender of the McAlpine Publishing Company, Halifax at \$1.90 per page and 15 cents per page for preliminary reports.

The committee recommended that 20 cents a page be charged for the book in future and that churches to which the book is sent be held responsible for pay-

cers for the ensuing year:

President—J. J. Wellacc, Moncton.

Vice-Presidents—Rev. W. H. Warren,
Charlottetown, and Rev. F. M. Young.

As some exception was taken to one of the clauses the report was laid on the table for further consideration and referred to the nominating committee. As some exception was taken to one of

predation of the services rendered Nova Scotia home missions by A. C. Robbins and W. D. Daly, of Yarmouth. Rev. B. N. Nobles submitted a report of the New Brunswick home missions. The report said that during nine months from September 1, 1900, to June 1, 1901, 17 circuits, comprising 36 churches had received aid to the extent of \$1,004.16.

Rev. I. B. Colwell has been engaged as general missionary to work among the hurches and enters upon his work this

and was thoroughly apprehensed by the past year paising \$25,000, now they are raising \$34,000. During \(\) the past year nine new churches were established. Rev. J. D. Freeman, from the Sunday schools committee, recommended that several superintendents of Evangelistic and educational work in Sunday schools be engaged under a board, he to give his whole time to work. The recommendation was referred to a committee to report on. Rev. J. W. Bancroft submitted the report of the committee on the state of the order. The general tone of the report of the committee on the state of the churches were not keeping pace spiritually with their material prosperity, less than half the churches reported additions by baptism and only about one half as many to baptisms were reported this year as in the state of the state of the churches reported this year as in the state of the churches reported this year as in the state of the churches reported this year as in the state of the churches reported additions by baptisms were reported this year as in the state of the churches reported this year as in the state of the churches reported this year as in the state of the churches reported this year as in the state of the churches reported this year as in the state of the churches reported this year as in the state of the churches reported this year as in the state of the churches reported this year as in the state of the churches reported this year as in the state of the churches reported this year as in the state of the churches reported this year as in the state of the churches reported additions by baptisms were reported this year as in the state of the churches reported this year as in the state of the churches reported this year as in the state of the churches reported this year as in the state of the churches reported the feast.

At 3 o'clock the their guests, gathered at the east whell loss of the pentil, with their guests, gathered at the east sa unique and engaged the east well as the visiting press people and of the trip across Moncton, Aug. 26—(Specal)—At the morning session of the Baptist convention R. M. Beckwith submitted the report of the committee on publication of the year book. The total cost of publication was \$477.97. Tenders had been asked from St. John, Halifax and Moncton for the printing of next year's book. The committee recommended the acceptance of the tend-1896. The report contained a paragraph disapproving of professional evangelists being engaged to do work that should be done by pastors. This paragraph created considerable discussion and the report was

The Glace Bay, Newport and Chebogue names of the ministers in the Maritime Association and prominent lay members of the provinces, who have passed away during the year.

On motion of Rev. Mr. Schurman, seconded by Rev. Dr. Trotter, a message of sympathy was forwarded by the convention by wire to Rev. W. E. Hall, who lies stricken with paralysis.

Reports of the secretary and treasurer of the board of governors of Acadia College were laid before adjourning for dinner.

The treasurer in his annual report egretted the figures were not more contraging. The report was forwarded the convention of the board and will enter on the board and will e

INTRODUCED TO CLAMBAKE.

The Newspaper Visitors Made Merry at McLaren's Beach -- A Poet in the Party Bursts Into Song.

Rev. R. B. Smith has yielded to discouragements and resigned the pastorate of Port Elgin churches.

Contributors from associations were: Western, \$358.18; eastern, \$140.08; southern, \$460.94; balance on hand, \$893.56.

The convention adopted a recommendation submitted by Rev. A. Cohoon not to meet with the Northwest convention in home mission work.

Rev. W. N. Hutchins submitted a report from the Northwest missions. The number of churches has increased in the Northwest from 34 in 1891 to 81 churches; 52 in Manitoba and 37 in the Territories. The membership increased from 1,600 to 4,678. The total value of church property in the west in 1891 was \$20,000; now it is about \$140,000. The number of ordained pastors has increased from 16 to 43 in the ten years.

In 1891 the churches in the Northwest is the visitors in this form was a happy one pastors has increased from 16 to 43 in the ten years.

In 1891 the churches in the Northwest were raising \$25,000, now they are raising \$25,000, now they are raising the visitors.

At 3 o'clock the knights of the pencil, were raising \$25,000, now they are raising the visitors in the sumples of the party utilized the pastors.

That annoying and palate tickling bivalve, the clam, was the medium of a feast on McLaren's beach on Monday for a merry party of 125 members of the four guests. The feast of reason was relegated to a back seat and happy, folly nonsense reigned suppreme. Everybody was at his and her suppremendent the summate of the suppremendent after the feast, the summate of the suppremendent after the feast, the summate of the suppremendent after the feast, the summate of the summate of the summate of the bivalves ever a veritable hodge-podge and if Father Neptune is ever cognizant of affairs terrestrial, he probably never had so great an opportunity of enjoyment. But all good things have an ending and in half an hour or so that part of the affairs terrestrial, he probably never had so great an opportunity of enjoyment. But all good things have an ending and in half an ho

building lot. Since 4 a. m. the gaping

their final destruction.

Veterans of the Fouth Estate were Veterans of the Fouth Estate were largely in the majority. In fact most of the party were gathering the news of the earth before the present generation of scribes saw the light of day, yet everybody went the limit in making the event enjoyable. Grey haired and serious old men who preside in editorial sanctums mingled with youthful sporting editors while writers of the other sex, who dilate upon the doings of "four hundreds," as well as the religious editors, mingled with the raconteurs of prize fights.

The affair was confined to newspaper men and relatives, with but a few exception.

has geturned good, Toronty, Monton, Prof. D. R. Row, Mr. Nord, S. Comit, Dr. Allien, S. Comits, Dr. Allien, Dr. Comits, Dr. Allien, S. Comits, Dr. Allien, Dr. Comits, Dr.

thoroughly at ease.

The scene could hardly be described as picturesque, but it certainly was a study in grouping that must have appealed to every one except the partnerless manand he was many. Here, there, and everywhere, on hastily fashioned seats, on the sand, in the shadow of overhanging trees, interested groups discussed the possibilities involved in a clambake, and of the large number present probably only haif a dozen had any definite knowledge of what it really meant. With the respect a dozen had any definite knowledge of what it really meant. With the respect which superior knowledge ever evokes they were listened to with admiring attention. The veterans of newspaper row constituted themselves waiters and developed surprising ability in that line, as

I wandered up and down this world, In quest of love's young dream; I've found it now, for I have smelt Fat clams through seaweed steam.

provisions and other refreshments, a hour of merrymaking followed on the grounds.

thing. There was "nothing doing" he wasn't around. The visitors are at the Dufferin and Victoria hotels. This morning they will make the river trip to Fredericton. From the capital the party will go to the North

No One Would Blame Him.

IS YOUR AILMENT CATARRH?-"I had | two years." I had Catarrh for five years." "I had Catarrh for 20 years." "I had navy, W. H. Merchant, has fallen heir to Catarrh for 50 years" and Dr. Agnew's \$100,000, consisting of property in Brooklyn. Catarrial Powder cured me. These are sentences from the volumes and volumes of testimony for this great catarrh cure, words from men and women all over the continent who have been cured. It relieves in 10 minutes.—20.

Dr. J. Collis Browne's Chlorodyne

Diarrhœa, Dysentery, Cholera THE ILLUSTRATED LONDON NEWS, BR. J. COLLIS BROWNE'S CHLORODYNE. THE ILLUSTRATED LONDON NEWS,
Sept. 28, 1895, says:—

"If I were asked which single medicine I should prefer to take abroad with me, as likely to be most generally useful, to the exclusion of all others, I should say CHLO-RODYNE. I never travel without it, and its general applicability to the relief of a large number of simple ailments forms its best recommendation."

Is a liquid medicine which assuages PAIN of EVERY KIND, affords a calm, refreshing sleep, WITHOUT HEADACHE, and invigorates the nervous system when exhausted.

J. T. DAVENPORT, 33 Great Russel Street, LONDON W. C.

IS THE GREAT SPECIFIC FOR | Coughs, Colds, Asthma, Bronchitis.

BR. J. COLLIS BROWNE'S CHLURODINE.

—Dr. J. COLLIS BROWNE (late Army Medical Staff) DISCOVERED a REMEDY, to denote which he coined the word CHLO-BRODYNE. Dr. Browne is the SOLE INVENTOR, and as the composition of Chlorodyne cannot possibly be discovered by Analysis (organic substances defying elimination) and since his formula has never been published, it is evident that any statement to the effect that a compound is identical with Dr. Browne's Chlorodyne must be false.

This caution is necessary, as many per-

Spasms, Colic, Palpitation, Hysteria.

IMPORTANT CAUTION.—The IMMENSE SALE of this REMEDY has given rise to many UNSCRUPULOUS IMITATIONS. Be careful to observe Trade Mark. Of all Chemists, 1s., 1s. 1-2d., 2s ld.S, an 4s. 6d.

SOLE MANUFACTURER—

DR. J. COLLIS BROWNE'S CHLORODYNE —Vice Chancellor Sir W. PAGE WOOD stated publicly in Court that Dr. J. COLLIS BROWNE was undoubtedly the INVENT-OR of CHLORODYNE, that the whole story of the defendent Fretman was deliberately untrue, and he regreteed to say it had been sworn to.—See The Times, July 18, 1894.
