

SUSSEX FAIR IN FULL SWING WITH MANY VISITORS

Red Pepper Easily Disposed of the Field in His Race, But Lady Patton Gave Her Backers Almost Heart Failure by Dropping Second Heat to Will Patch—Prize-winners in Many Classes

Sussex, Oct. 3 (Special).—The very fine day of opening the Sussex exhibition yesterday, has not been followed up by such favorable weather today, but there has been no rain and the management reports a good attendance at the fair this afternoon and evening.

In addition to the exhibits already named the new Brunswick Wire Fence Company, Moncton, have put up a very creditable exhibit outside the main building. This company was awarded a diploma at the recent exhibition in Fredericton and also one in St. John last year.

The exhibitors of poultry are Seth Jones, hens and chickens; Gray Kinnear, hens and chickens; Norman Tait, hens and chickens; turkey, geese; Bryan Stockton, ducks; M. H. Parlee, hens and turkeys; and Charles Reardon, hens, chickens and ducks.

The Horse Races.

The racing began at 2.30 p. m., immediately upon the arrival of the St. John train, which brought quite a crowd from the city. The attendance was good notwithstanding the threatening weather, which no doubt kept many away. Those who attended were rewarded with a good day's racing.

In the 2.30 class, Red Pepper, driven by S. A. Fowler, St. John, had a walk-over from the start. Though he drew fifth place he took the pole at the first quarter and maintained his lead in that position to the end on each occasion. In the betting little if any money could be found to be placed against him. After him Estelle Bay was a favorite, but disappointed her backers.

Summary—2.30 Trot and Pace.

Red Pepper, c. s. W. J. Furber, W. Newton. Marshwood, c. g. T. Holmes, Boston. 2 2 4 Dorella, b. m. S. A. Fowler, St. John. 3 3 3 Little Wilkes, c. m. H. O'Neill, Fredericton. 4 4 4 Estelle Bay, b. s. D. C. Fraser, Sydney. 5 5 5 Time—2:12, 2:14, 2:16.

What excitement there was in the 2.25 race. In the second heat Lady Patton driven by Warren was the second time leading till within ten rods of the wire, where she was allowed to break and so fell back to third place. This caused a good deal of excitement in the ring, where she was considered an easy first. In the third heat Will Patch, set back from second to third for going a mixed gait. Sleepy Jack was distanced in this heat.

The Horse Races.

The races, which began with the 2.15 class, were delayed on account of an accident to Walter K. St. John, driven by his owner, L. King. While driving back along the course and when about to turn to try the third or fourth time for a horse he put his right hand leg over the shaft and down through the brace, partially up the cart and threw his driver. The wheel was broken and the horse, a little bruised but otherwise only slightly injured, was withdrawn.

The starting of the remaining four was very poor, a dozen times they here and there and were twice warned by the starter.

The positions of the horses in this class, after the withdrawal of Walter K. St. John, were: Sphinx, b. pole; Red Pepper, second; General Fiske, third; Lady Bingen, fourth. The first heat was full of surprises and excitement. Lady Bingen made a spur and tried for the pole but could not get it. After the half General Fiske pushed ahead and came up to Red Pepper on the home stretch. The two came down under the wire almost abreast, General Fiske passing it scarcely a neck in advance. Time by quarter: 34, 1.09, 1.43, 2.17.

In the second heat the four were bunched till near the end of the first half, General Fiske at the pole and slightly ahead. Then Sphinx, b. pole, fell behind but regained some ground in the last quarter. Red Pepper made a brave effort to pass the wire ahead of General Fiske but to no purpose. The half was 1.09, 1.43, 2.17.

The third was a contest for the first half between Lady Bingen and General Fiske. Red Pepper came up to take the place of the Springhill mare, which fell behind a few lengths. General Fiske, however, maintained the lead and the pole and finished a length or more ahead of the field. Time by quarters: 34, 1.09, 1.43, 2.17.

Summary—

In the 2.40 class the drivers and owners agreed to waive distance. The positions were: Little Tom, pole; Daisy Wilkes, second; Lady Patton, third. Miss Ant Dorchester stable, Badger and Violet R. belonging to Charles Henry, Amherst, were drawn.

Lady Patton captured the pole after the first turn and at the end of the half the Sussex mare had fallen to the rear. Daisy Wilkes finished two lengths behind Lady Patton. Time by quarters: 35, 1.11, 1.45, 2.24.

The second heat was quiet and peaceful. Lady Patton took the lead at once, three lengths behind followed Daisy Wilkes and Little Tom brought up the rear. In this order they finished. Time by quarters: 37, 1.13, 1.50, 2.27.

The performance of the second heat was repeated in the third, which gave Lady Patton first money. Time by quarters: 38, 1.13, 1.46, 2.29.
