NICODEMUS AT NIGHT.

The streets are silent. The dark houses seem
Like sepulchres, in which sleepers lie
Wrapped in their shrouds, and for the moment dead.
The lamps are all extinguished; only one
Burns steadily, and from the door its light
Lies like a shining gate across the street.
He waits for me. Ah, should this be at last
The long-expected Christ! I see him there,
Sitting alone, deep buried in his thought,
As if the weight of all the world were resting
Upon him, and this bowed him down.

COMMON SCHOOLS ACT.

Notice is hereby Given:

I. THAT public moneys will not be granted in aid of schools taught between Dec. 30th, 1871, and January 15th, 1872.

2. That the Boundaries of School Districts established under the authority of "the Common Schools Act, 1871," will shortly be posted in each School District of the Province.

3 That the first Annual School Meeting will be convened in the School Districts of the Province on January 11th, 1872, at 10 o'clock, A. M., by notices issued by the County Inspectors, and may be continued till 4 o'clock, P. M.

4. That the duties and powers of the Annual School Meeting, as prescribed by "the Common Schools Act, 1871," are, in brief, as follows:

(1). The election from among the qualified voters present (*i. e.* persons resident in the District and rated in the Parish Assessment List in respect of real and personal property or income, and persons non-resident in the Parish but rated on property in the District) of a Chairman to preside over the meeting. The Chairman is to determine all questions of order, to take the votes of qualified voters only; to decide according to the majority of votes, and to give a casting vote in case of an equality of votes.

(2). The election, from among the qualified voters present, of a Secretary to record its proceedings

(3). The election from among the qualified voters of the District, three Trustees. Teachers cannot be Trustees.

(4). The election of an Auditor of the School Accounts for the ensuing year.

(5). To determine what amount shall be raised by the District during the ensuing year in supplement of the moneys provided towards Teachers, salaries by the Province and County, and for the purchase, rent or improvement of School grounds and buildings, the purchase, erection, repair, furnishing and care of school-houses and out-buildings, the purchase of fuel, maps or apparatus and prescribed text-books for the pupils of indigent parents, the payment of interest on money to be borrowed by the District, or any other expenses required in providing an efficient school.

Of the sum voted by the meeting, One Dollar is to be collected from every male resident 21 years of age, and the balance is to be assessed upon the property and income of qualified voters.

If any sum is voted for the purchase of improvement of grounds, or for the purchase or erection of school buildings, or the purchase of furniture, the meeting is to authorize the Trustees to borrow the money (if so desired), and to fix the period (not to exceed seven years) within which the amount borrowed shall be collected from the District in equal yearly instalments.

(6). To authorize the Trustees to dispose of any School property owned by the *District* (if so desired).

(7). To authorize the Trustees to insure the School buildings and furniture (if so desired).

(8). To adjourn to the next day at 10 o'clock, A. M., and to continue till 4 o'clock, P. M.

5. That the Minutes of the School Meeting are to be signed by the Chairman and Secretary, and deposited by the former with the Trustees.

6. That in case a District fails to exercise its right of electing Trustees, the County Inspector is to appoint them on the requisition of seven qualified voters of the District.

7. That the fund for Teachers' Salaries is to be provided from *Three Sources*, viz.:—

(1). *From the Provincial Treasury*, at the following rates for the School Year:—

First Class Male Teachers	$150
Second Class " "	120
Third Class " "	90
First Class Female Teachers	110
Second Class " "	90
Third Class " "	70

Class-room Assistants regularly employed four hours per day are to receive one half of the above amounts, according to the class of License held.

Teachers and Class-room Assistants employed in Districts entitled to special aid as poor Districts, are to receive for the following school year, at the rate of *one third more* than the grants above named.

In all cases one half of the Provincial Grants are to be paid to the Teachers and *licensed assistants* semi-annually, or rateably according to the number of prescribed teaching days the School shall have been satisfactorily taught.

(2). *From the School Fund provided by the County Assessment*, to be apportioned by the Chief Superintendent to the Trustees of the School Districts within each County, as follows:—

(*a.*) At the rate of $30 for the school year, in consideration of each licensed Teacher employed: *of whatever class.*

(*b.*) The balance, by an equal rate per pupil according to the average number of pupils in attendance at School, and the number of teaching days the School has been open. The Trustees of Districts recognized as poor Districts in any year, to receive, in this latter apportionment, special aid not exceeding *one third more per pupil* than the Trustees of other Districts within the County.

One-half of the County fund is to be apportioned and paid semi annually.

No public moneys will be received by Districts which fail to establish Schools under the Act. It will be observed that the amount of Provincial and County moneys to be expended in any District in aid of Schools will depend almost exclusively upon *local exertion* or the direct efforts made by the people of the several Districts in maintaining their own Schools. The sum to be received by the Teacher from the Province is definite, but the exact amount that will be received by the Trustees from the County Fund on account of the average attendance of pupils, cannot be known at the time of the School meeting. The meeting should, therefore, be careful in voting its estimates to authorize a sum amply sufficient to enable the Trustees to meet the liabilities of the School year. Any balance remaining in the hands of the Trustees, is, of course, to be carried to the credit of the next School year, while any deficit arising from an authorized expenditure may be carried forward and provided for in the estimates of the following year.

The first disbursement of the County Fund will be apportioned on the School attendance made between January 15th and April 30th, inclusive.

8. That the Board of Education has prescribed the following Regulations respecting contracts with Teachers:—

(1). *Form of Teacher's Agreement:* Each Teacher and assistant before entering on duty in any District, is to make a written agreement with the Board of Trustees, (each party retaining a duly executed copy of the same), in accordance with the following form:—

Contract made this——day of——A. D 18 , between [*name of Teacher or Assistant*], holding a valid License of the——class granted under the authority of the Board of Education of New Brunswick, hereinafter referred to as the Teacher, of the one part; and "The Trustees of School District Number—in the Parish of—— in the County of——," [*or* "The Board of School Trustees of Saint John," *or as the case may be*], hereinafter referred to as the School Corporation, of the other part.

(2) *Fixed Salaries;* The amount which the Board of Trustees of any District is to receive from the County Fund, being largely dependent on the regularity with which the pupils are kept at School, and therefore unknown at the date of the written agreement (Reg. 2.) to be made with any Teacher or assistant, the Chief Superintendent is not to recognize any contract by which a Teacher or assistant may agree to receive such unknown sum as a portion, or the whole of his or her remuneration from the Trustees, but shall require that a fixed and definite sum or rate be distinctly named in each and every agreement.

"THE DAILY TRIBUNE,"

the opening number of which we present to our readers to day, is intended to be a journal worthy of the patronage of all respectable classes of our community. It shall be the Editor's aim to so conduct it that the commercial, industrial and social interests of the Dominion may be advanced, while its management shall know neither party, nationality nor sect. The Daily Tribune will support all sound legislative measures, wherever they may originate, and oppose every scheme prejudicial to the public good, by whatever political party it may be upheld. While Dominion and Provincial affairs will thus be fully and impartially treated, special attention will be given to matters relating to the City and County of St. John. That our City may retain its present pre-eminence as a commercial centre, greater ability and energy must enter into its corporate management. Its Harbor interests require the most vigilant scrutiny; and not less, but more, important are those guarantees which should be, but unfortunately have not been, taken for securing the Public Health. The Construction and Lighting of our Streets, the Water Supply, the Sewerage question, the proper distribution of Taxation, the support and management of the Public Schools, are also matters of great moment and are intimately related to our City's commercial prosperity. With such questions we shall deal faithfully, although we do not propose that their discussion shall wholly overshadow the many interesting topics that will engage the attention of the inhabitants of other Provincial towns, whose more important local news will be chronicled, from day to day, in these columns.

Special Correspondence, from leading Political and Commercial centres, will be laid before our readers, as circumstances may require; and Letters from the People when brief, dignified and "to the point," will be welcomed. (Contributions from long-winded and prosy letter writers will be respectfully declined.)

Arrangements are progressing for a full and regular supply of Telegraphic News; and when exciting and important Foreign News may be expected, ample Special Telegrams will be forthcoming in The Daily Tribune.

The Shipping Reports of The Daily Tribune will be found, after the present issue, unusually full and reliable, and such as to secure for the paper a place in the offices of the thousands in the Province who are interested in this important element of our commercial prosperity. A weekly financial Report will also be published—one we trust, that our Merchants will find valuable for reference at home, and for the information of their correspondents abroad.

To Advertisers we offer a sheet whose circulation we propose to extend by all honorable means. We shall not rest satisfied until The Daily Tribune finds a place and a welcome in every counting room, and in the home of every newspaper reader, in the City. With Editorials treating of a variety of subjects; with Foreign and Domestic News intended to interest most of the numerous classes of which the reading community is composed; with copious Telegrams, bringing under view the latest intelligence from all parts of the world; and with those other elements that enter into the management of a live newspaper, and which need not here be more particularly referred to, The Daily Tribune anticipates a favorable reception at the hands of the Public; and this favor can best be shown by rapid sales and well filled advertising columns.

Magee, St. Andrews, McLauchlan & Sons, Fredericton, Mr. W. Everitt, Woodstock, Mr. J. W. Pitfield, Moncton, Mr. Ovid Chapman, Shediac, Mr. T. G. Burnes, Ossekeag. A complete list, however, will be given in another issue.

RATES OF ADVERTISING.

The Daily Tribune will unite, when requested, with the other City Newspapers in treating all Advertising as "transient:" that is, it will regard with favor the abolition of agreements for advertising "by the year." The latter practice has gone out of fashion in all well managed newspaper offices; and being a most unjust arrangement, both for the Newspaper and a majority of the Advertisers, should have ceased to exist in this City many years ago. Such a step might place the Tribune at a disadvantage, for a time, in the race with its older and more vigorous Daily competitors, such as the *Telegraph and Journal*, *Globe*, and *Morning News;* but it would establish a just principle, and, in the end, prove advantageous both to the Advertising Public and the Press. Until a change of the character proposed, however, be consummated, the rates for Advertisements in The Daily Tribune will be as follows:—

A limited number of yearly contracts will be made on the basis of $30 for one inch of space,—several changes being allowed, say,	$30
Two inches, with changes,	$50
For a Card of 5 lines, 1 year, *unchanged*,	$12
For Advertisements of Governments, Corporations, Railway and Steamboat Co.'s, and other public bodies,—for Theatres, Concerts, Lectures and other public entertainments, say first insertion,	80 cts
Each subsequent do.	40 cts
For ordinary mercantile transient advertising, say, first insertion,	60 cts
Each subsequent do.	30 cts
For condensed advertisements, to occupy 5 lines, such as Wants, each and every insertion,	25 cts.

A few special agreements, having reference to position and extra space, will be made at paying rates.

OTHER MATTERS.

We shall be pleased to receive from any of the friends of the Tribune Local News for its columns, and suggestions in reference to subjects requiring journalistic treatment. The news items should be reliable, and the remarks of a practical character. Special contributions will be received, and, when their public value appears to warrant, will be paid for. Extracts from the business letters of Merchants, which in many instances, contain valuable facts and statistics, might frequently be supplied to Editors with advantage to the public. A corner in the Daily Tribune will be reserved for such Correspondence.

In conclusion, the subscriber would ask for this new enterprise the countenance and practical support of the reading and advertising community. If, in the past, he has been so fortunate as to assist, even to a limited extent, in furthering those interests which the great majority of our citizens have at heart; if he has been instrumental, in any way, in assisting our good City in that grand career of prosperity and influence which appears to lie before her, he has been amply rewarded for the labor of many years. For the promise of the future he can only refer his readers and friends to the performance of the past.

Business Arrangements.

The fact that this journal is issued nearly a fortnight earlier than was anticipated, with a view to participating in the Holiday advertising, which the merchants of St John deal out so liberally, will probably be accepted as reason sufficient for any imperfection that may appear in the initial number. The printing paper is not as heavy and bright as we propose to use; types now *en route* to us will improve its mechanical appearance; and the Editorial and business staff will be fully organized by the first of January. Offices, centrally located, have been secured in Prince William St. The southern half of Mr. George Philps' office has been taken for a business office, and the *Globe's* former editorial rooms, and offices adjacent, will be occupied by the Tribune Editor and Reporters. These, however, are at present undergoing renovation, and cannot be used for a few weeks to come. In the meantime, parties having business to transact with The Daily Tribune will find us in the same building but in the third story.

JOHN McARTHUR

To his Patrons and the Public.

THE Second Anniversary of a Christmas season in business naturally awakens a spirit of thanksgiving towards friends, when the fact is felt, that since his first start in trade, he has, up till date, been the recipient of a very *generous patronage*, he would, at this festive period, offer heartfelt offerings for good to all, and trusts, when another year hath elapsed, he may feel in position and spirit, with greater force of speech to present his manifold congratulations for prosperity vouchsafed to a *liberal people.*
