

With power
to construct a
Railway
extending
from Montreal
to Kingston.

Proprietors for the purposes aforesaid any lands, tenements or hereditaments, or the same may acquire by purchase or lease from the said Company without *Lettres d'Amortissement*; and the said Company of Proprietors and their successors and assigns shall be and are hereby authorized and empowered from and after the passing of this Act, by themselves, their deputies, agents, officers, workmen and servants, to make and complete a Railway, to be called "*The Montreal and Kingston Railway*," with one or more sets of rails or tracts, and to be worked by locomotive engines or in such other mode as the said Company may deem expedient, from the City of Montreal, by such line as may be found most advantageous, to the City of Kingston, or such other point on or near the River St. Lawrence or Lake Ontario as shall seem most suitable to the purposes of the said Company, and to erect wharves, warehouses and other buildings, and also all machinery requisite for the efficient working of the said Railway, at all such places as to the said Company may seem fit: Provided always, and be it enacted, That the said Company shall have power at any general meeting of the Proprietors as hereinafter provided for, to determine the general course and direction of the said Railway from the said City of Montreal to, or towards the said City of Kingston, and likewise the particular course and direction thereof.

Power to enter
upon Lands,
&c. and to con-
struct, &c.

II. And be it enacted, That, for the purposes aforesaid, the said Company of Proprietors, their deputies, servants, agents and workmen, are hereby authorized and empowered to enter into and upon the lands and grounds of the Queen's Most Excellent Majesty, or of any person or persons, bodies politic, corporate or collegiate, or communities whatsoever, and to survey and take levels of the same, or any part thereof, and to set out and ascertain such parts thereof as they shall think necessary and proper for making the said intended Railway, and all such other works, matters and conveniences, as they shall think proper and necessary for making, effecting, preserving, improving, completing, maintaining and using the said intended Railway and other works, and also to bore, dig, cut, trench, get, remove, take, carry away, and lay earth, clay, stone, soil, rubbish, trees, roots of trees, beds of gravel or sand, or any other matters or things which may be dug or got in making the said intended Railway or other works, or out of the lands or grounds of any person or persons adjoining or lying convenient thereto, and which may be proper, requisite or necessary for making or repairing the said intended Railway or works, incidental or relative thereto, or which may hinder, prevent or obstruct the making, using or completing, extending or maintaining the same respectively, according to the intent and purpose of this Act; and to make, build, erect and set up in or upon the said intended Railway, or upon
