—Woods Sail Silk Tents are
considered par-excellent. Woods
Tents are manufactured in our own
factory from real Scotch Sail Silk
imported in huge quantities for
our own exclusive trade.

Buying a Woods Sail Silk Tent is like buying government
bonds. It is a safe, sure investment—because they give
superior service.

MANY of these tents fold
up so small that you can
carry them in an ordinary
sized pocket of your coat. Yet
the shelter supplied is 100 p.c.
perfect.
