

A new toy from Meccano, Meccano and Garbage, Inc., makers of the world's filthiest, sickest, and most popular toys for children of all ages!

Have you a retarded brother? A senile and vicious grandfather? A paranoid girlfriend? Give them all a GARBIE DOLL (pat. pend.), and it won't be long before you're rid of them forever!

For additional parts (not listed on this page), send a self-addressed, unmarked brown paper envelope to GARBIE DOLL, 777 Empire Building, Hong Kong.
