account of Indian politics (1977), noted parenthetically at the Prime Minister occasionally on the value of one's own urine." Time (1977) showed Desai tently into a cup or mug, its story "Drink Up, and wrote only of his general and his urine in particular.

occasion of Desai's June to the U.S. to address Nations, a few minutes on 60 Minutes and all of a brief interview by Walters (June 13) were to this cosmically-impor-

estiny of 650 million India's role in the world? on the Prime Minister's acies - that will sell, coupled with "straight" these bits of exotica guarantee that we shall India seriously.

ould be foolish, if ble, to argue that we or misrepresent India at peril. Yet, even if others here my judgment about present importance, it is at in the not-too-distant many of us will have to re about India than we do will be helpful if we can do ly. This will require some determination to go the titillation and the hots, and to develop a balanced picture of India. ot likely to get much help American media.
