

S. Y. Chesley Esq. 44307 2^d April 1880

Adverting to the
20th letter I have to observe that James Derushie & all
others having less than 100 acres in the whole have
been satisfied that the fee on the Patent must be
paid by them; but as there are exceptions to this
general rule of the Nature described in 4th Com.
I should be glad to receive from you the names
of the persons who are liable to this charge in order
that they may be called upon to pay the same
further.

Mr. W. Mac has produced a document
which appeared to be a receipt from his
father for lot 206 in the 1st Const. & his name is
entered in the 1st District; but I distinctly explained
to him that the Opposition of Duncan Mac
would be referred to the Commissioner who may
be appointed to decide upon conflicting claims.

I have requested Mr. Colquhoun to
inquire into this matter.

Yours
S. Y. Chesley
