The Hon. Dr. Roche,

Dear Sir,

I have heard a rumor that sections 5, 6, 7, 8, 17, 18 in 52, 26, W. 2nd, about 20 miles north of Prince Albert are about to be thrown open for homesteading. Would you kindly inform me if this is correct or could a quarter section be bought. I should also like to know if you would kindly tell me why these sections have been reserved up to the present time and oblige,

Yours truly,

Sgd. Robt. Hartley.
