Dear Sir:-

As requested in your letter of the 14th instant, I have signed the three copies covering the permit for eight sections in Stony Indian Reserve No. 142 B and send them to you herewith. Will you please let me have a completed permit as soon as possible.

Would you also be good enough to send me another copy of P. C. 5315 being the Regulations for the Prospecting for and the Disposal of Petroleum and Natural Gas on Indian Reserves and Indian Lands.

Yours very truly,
