Dear Mr. King

You will be amused
to see that I have come over
to Canada to see things for
myself & to visit as many of
the 400 Emigrants I have sent out
as I can to see about fresh
openings for others. The P.R. &
I have been my good & have
given me a free pass on the
railway so that I am able to
go all about - I have been
over about 3 weeks & yesterday
had a good time visiting about
the fine farms near fronting
I had seen people - On Thursday
evening I go with my son to
Hornby & we shall go by day
