CHIEF ENGINEER

Cable Address
Hydro Toronto
CODE - A.S.C. 6TH EDITION
190 University Avenue
Toronto 2

January 29th, 1934.

Rt. Hon. Arthur Meighen,
National Building,
347 Bay Street,
Toronto, Ontario.

Dear Mr. Meighen:-

I am in receipt of your letter of January 25th, in which you give an excerpt from a communication received from Mr. N.L. LeSueur of the Sarnia Bridge Company, regarding the use of "Massilon bar joist" for floor construction in the proposed new Hydro building. I shall be pleased to see that this matter receives consideration.

Yours very truly,

A handwritten signature in dark ink, appearing to be "F. A. Gaby". The signature is written in a cursive style with some loops and flourishes.

CHIEF ENGINEER.
