Sir,

With reference to the claim of this Department against Mr Peter McLane on account of the mill property sold to him at Old Mac's River, I have the honor to inform you that, so far as is shown by the documents of record in the Department, — no sum less than \$10,000. was to be accepted as the price of the mill, which was sold as it stood at the date of sale without any reference as to its completeness.

J. G. Gaggard, Esq. M.P.
