

78003.

Ottawa, 2nd April, 1902.

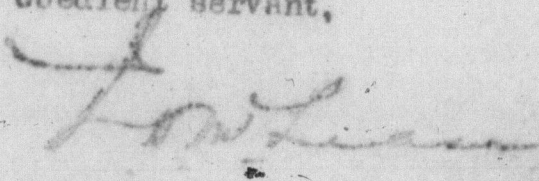

Sir,-

Referring to your letter of the 1st instant, the contents of which have been noted, I re-enclose herewith the account which you forwarded (to which has been attached a certificate for signature) for medical services rendered to Indians of Gaspe Basin during March quarter 1902 by F.W. Macartney. I shall be glad if you will kindly ask Dr. Macartney to get Mr. J. J. Kavanagh, Collector of Customs, at Gaspe, who from time to time acts as an officer of this Department, to certify to the account in question, after which it should be re-enclosed to the Department.

As you say that you forwarded official letter of the 17th January last to Dr. Macartney, I am sending you a copy of the same herewith, and also a supply of forms, such as it is customary for medical officers of the Department to use when making quarterly requisition for salaries.

A.S. Mc

Your obedient servant,

  
Secretary.
