Why Not Buy A Home On The Easy Payment Plan?

A Small Cash Payment Down And The Balance Monthly

LEAVING in Westboro' is a boon to the salaried man. Whether you are paid by the day, the week or the month I can place you in a home that will suit you and you pay for it as rent. My listings include some of the finest cottages and right up to the largest brick homes. Every kind, every size and built in almost every style.

Supposing you do not care for anyone of these homes I can sell you a lot and arrange to have a home built upon it in any style that you may choose.

Below we give a small list of our present offerings, we have others. They are coming in all the time. Come out and see them. It is a visit worth while. Even if you do not care to live in them yourself there is not a better way of saving money than by investing in Westboro' on the easy payment plan.
