Not New.

Don't think our Vapo-Cresolene is something new, for it isn't. For more than twenty years it has been extensively used for all forms of bronchial and throat trouble. Mrs. Ballington Booth said of it, years ago, that "No family where there are young children should be without Vapo-Cresolene." You breathe in the vapor, it goes all through the bronchial tubes, soothing, healing, curing. It is pleasant, safe, economical. It is Vapo-Cresolene is sold by druggists everywhere. A man who runs in debt cannot easily walk over his difficulties.

The man most needs our love who is least loved.

"Quick lunch" is one of the commonest of city signs. The sign doesn't say "a healthy lunch of good food," but character of the food apparently is not considered. It's just a quick lunch, eat and get away. Is it any wonder that the stomach breaks down? Food is thrown up, indigestion, flatulency and innumerable troubles, and the stomach has to do the best it can. Normally there should be no need for medical assistance for the stomach. But the average method of life is abnormal and while this continues there will always be a demand for Dr. Pierce's Golden Medical Discovery. It is the one medicine which can be relied on to cure diseases of the stomach and other organs of digestion and nutrition. It is a cure-all. It is a medicine designed for the stomach, and to cure through the stomach, remote diseases which have their cause in the derangement of the digestive organs, and has power to kill germs, heals the inflamed tissue, prevents droppings in the stomach, and restores the normal condition of the system. It cures when all else fails.

She's as White as a Ghost

As pale as a hy. A matter of pride? Certainly not. Strength? Color? Endurance! That's what every woman wants. Good digestion, perfect assimilation. Poyancy and vim is the right of every woman. She need not lack these if she will give us Ferrozene. It makes blood, gives appetite, gives strength to the nerves, color to the cheeks, and brightness to the eyes. A box of Ferrozene tablets is one transmittable into health, beauty and strength. There is power in Ferrozene. Try it and see if it is not so. Sold only by McCall & Co.

Boasted excellence usually is nothing more than fishing for praise.

A Big Quin's Worth

Is always found in a bottle of Polson's Nervine, the best household liniment known. It cures rheumatism, neuralgia, toothache, headache, sick stomach, in fact it is good for everything a liniment ought to be good for. Mothers find it the safest thing to rub on their children for sore throat, cold on the chest, sprains and bruises. Never be without Polson's Nervine. It will cure the pains and aches of the entire family and relieve a vast amount of suffering every year.

Our deeds determine us, as much as we determine our deeds.

ACHES AND PAINS.

You know by experience that the aches and pains of rheumatism are not permanently, but only temporarily, relieved by external remedies. Then why not use an internal remedy—Hood's Sarsaparilla, which corrects the acidity of the blood on which rheumatism depends and cures the disease?

This medicine has done more for the rheumatic than any other medicine in the world.

The reward of a thing well done is to have done it.

MAKE A Note of It, when you are leaving home to buy "The D. & L." Menthol Plaster. It is guaranteed to cure the worst cases of backache, headache, stiff neck, and rheumatism. Avoid everything else to be just as good. Get the genuine, made by Davis & Lawrence Co., Ltd.

Don't combat propositions put forward by some one you dislike.

A NAGGING COUGH drives sleep and comfort away. You can conquer it with Allen's Lung Balsam, which relieves hard breathing, pain in the chest, and irritation of the throat. Give it freely to the children.

CROTON.

Miss Lena Elgie is the guest of Mrs. James Logan.

Wedding Bells were very much in evidence in our vicinity on New Year's Day.

The school entertainment in Croton hall was pronounced by all who attended it, to be an all-round success. While the songs, recitations, and dialogues of the school children gave evidence of excellent training, the main interest of the program centred in the short drama entitled "The heart of a hero." This charming bit of amateur acting was remarkably well done, and where all did so well it would be impossible to discriminate in favor of any one.

Miss Edna Tiffin has been engaged to take our school for the coming year.

The Christmas arch on Monday evening, though it came in close contact with the school entertainment, received a large and appreciative audience. Notable features of the program were the recitation of J. M. Thomas and Charlie Smith, songs by Little Misses Logan and Law, "The Labor Song," the instrumental duets, and the exquisite anthem, "The Prince of Peace," by the choir of the church. At the close of the program Santa Claus, attired in an unusually fine suit of fur, came forward to relieve the beautiful arch of its heavy load of pretty gifts. This was an occasion of much pleasure to old and young alike. When it was concluded one of the most enjoyable evenings in the annals of the Jubilee Church, was brought to a close by the singing of "God Save the King."

The skating is good on the pond. A number of our citizens are confined to the house with mumps.

Drugging Will Not Cure Catarrh

This loathsome disease is caused by germs that invade the air passages of the head, throat and lungs, and can be cured only by inhalation of medicated air. Common medicines, atomizers, snuff, are ineffectual, because they fail to reach the cause of the trouble. Atarrozhoze is successful because it is inhaled by every part of the breathing organs, and has power to kill germs, heals the inflamed tissue, prevents droppings in the throat, and restores the normal condition of the system. It cures when all else fails.

N. TEMISCAMINGUE SENDS A STORY

A Sturdy Farmer Stricken With Rheumatism is Cured by Dodd's Kidney Pills.

This man was so bad that he was almost paralyzed—a wonderful case and a very happy cure by this excellent remedy.

North Temiscamingue, Que., Jan. 8.—(Special)—At the Douglas Farm near here lives Mr. W. H. Johnston who to-day considers himself a very happy man indeed.

The cause of Mr. Johnston's happiness is his somewhat sudden and very remarkable recovery from the most severe case of Rheumatism ever seen in this county.

For a long time he suffered with the Rheumatism which gradually grew worse till it threatened his life. His principal trouble was in his left side, and it was so bad that his neck stiffened so that he could scarcely move it, and was beginning to fear Paralysis. The pain would go away for a time but return with greater force, and a strange feature of his case was that after the pain would leave any part, it left behind it that prickly "pins and needles" sensation.

He thought that perhaps his smoking tobacco had something to do with it and he gave it up, but received no benefit at all till he used Dodd's Kidney Pills.

This remedy he found to be a complete and absolute cure for his malady, and very soon after commencing its use, the pain began to leave him and now he is strong and well.

That such an extreme case should yield so easily and quickly proves that Dodd's Kidney Pills will cure any case of Rheumatism.

entertained a number of young people New Year's night.

The local sneak thieves had better beware, as several houses have a very warm reception prepared for them should they come.
