THE DAY AFTER THE ANNUAL MEETING

A big sale that most Holstein breeders who attend the annual meeting will not fail to attend, is the one being held at Unionville, next Friday afternoon, Feb 5th. W. F. Elliott is well known to our Holstein breaders, and a great deal of the most popular blood of the breed is found in his good records, has been gathered together at his Unionville farm. It is a pleasure to visit such a well-cared-for herd as he keeps. The long row of large type of females is one that pleases any lover of good Holsteins.

Among his 45 offerings are 11 mature animals, all milking or coming in. Lelia Queen the 3rd, a daughter of A. C. Hardy's Lelia Queen, who has a 33-lb. record, is a high tester, running over four per cent. She is the kind of cow that is hard to dry up, and although not an extra large animal, she has the show outline. Her heifer calf is also on the bill of fare. One of the biggest cows, and the kind that should carry off first places, is Leonora Spruce De Kol. She will take some bidding as she has a 23-lb. butter record, and easily outclassed all her competitors at Markham Fair, in the test she runs to four per cent fat, and the splendid udder and veining, together with her strong back and deep body, shows that she is not only a producer, but a cow that will wear well. Her mate, Lady Mercena Posch (seven years), is also a persistent milker. She is a big cow, and with lines as straight as any one could ask. When two years old she made over 11,500 lbs. Her sire is Count Mercena Posch. Mr. Jas. Rettie's herd header. That's sufficient to recommend her breeding. Cairngorn Aggie comes from the Tillsonburg district, being formerly in the Laidlaw herd, from which she was purchased at the Tillsonburg sale for $340. She is the right form of cow, only five years old, with a big square frame that will carry a big quarter years of work. Her record of 22.04 lbs. shows what she can do. In addition she has about 12 tested sisters. The young bull calf from her is by Gordon S. Goodenham's King Segis Pontiac Posch. He is also listed.

Among the seven three-year-olds is Lady Anna De Kol. A number of breeders have already got their eye on her. She is a sister to Inka Sylvia 6th, who made 29.05 lbs. in seven days for G. A. Gilroy, but is now in A. C. Hardy's possession. A four-month-old heifer calf from this cow will also give some keen competition, for Lady Anna De Kol is a sister to the dam of Stevens' 33-lb. cow, Pet Posch De Kol.

The first animal to go under the hammer at Mr. Elliott's sale is a choice three-year-old. Bluebell Prince comes in she should make 76 lbs. a day as a three-year-old. She is put up right as a producer, and is worth making a note of in the catalogue.

The four yearling heifers offered are as choice a lot as any breeder could wish to see. They have plenty of size and the right kinds of constitution. One is out of Rosie Texal Pietertje, a 22.54-lb. cow, 302 lbs. in 30 days and nearly 20,000 lbs. in a year. She is another by Sir Lyons Segis Hengerveld. And out of a 19.6 cow A third, Sylvia Teake, is the daughter of a 21-lb. cow, and produced 16.5 lbs. at 10 years of age, and who has also some 15, 18 and 20-lb. daughters. The yearlings being sold by Mr. Elliott are just as well bred, and moreover are shown that they have been raised at the hands of the breeder, who knows how to develop big frames for producing. Of last spring's crop of calves there will be five, all well developed. The one out of Lady Anna De Kol is worth watching.

The bulk of the young stock and the calves will be from the herd sire, Sir Beets Hengerveld. Breeders will do well to look up the backing of this fellow by securing a catalogue as early as possible. The man who needs another sire particularly good to add to his herd should be sure to run out to Unionville after the annual meeting. It is only 20 miles from Toronto on the Grand Trunk, and the farm is only four minutes' walk from the station. There will be absolutely no reserve of any of the animals.

DOLLAR'S HOLSTEINS BRING BIG PRICES

It was a great sale that was held at Syracuse, Jan. 5 and 6. Of course the feature of the offering was the entire herd of the late E. K. Dollar, Heuvelton, N.Y. The sale was conducted under the management of the Liverpool Sales and Pedigree Co., with Kelley, Saeger, Mack and Lee as auctioneers. The offering of 74 head sold under the hammer brought the splendid total of $240,805, a high average of $651.14.

The feature price of the sale was $25,000 paid for Rag Apple Korndyke 2nd, by Oliver Cabana, Jr., of Buffalo, N.Y. Mr. Cabana is establishing a fine herd in the vicinity of the city of Buffalo, and as he has unlimited money at his disposal, he was one of the heaviest buyers at the sale. A yearling brother to the bull, Korndyke Segis Johanna, went to Pabst Stock Farm of Wisconsin for $12,500. Both of these bulls are from the 32-lb. cow, Pontiac Lady Korndyke, the first being a son of Rag Apple Korndyke and the second by the 40-lb. bull, Johanna McKinley Segis.

The sales were widespread; 22 animals were bought for Seattle, Wash. Shipments of the same size went to Louisiana and Pennsylvania. Buyers also represented the states of California, Wisconsin, Michigan, Ohio, Maryland, Connecticut, Illinois and the New England States. Canada was represented by W. F. Stevens, Phillipsburg, Ont.

Examining the sale figures more intimately we find that the 42 bulls averaged $1,346.20 and the 138 cows $747.90. Some of the highest prices paid were: Bull calf, Fairview Belle Pietertje, $3,000, O. Cabana; Dionas Koningen Pietertje, $6,500, O. Cabana; Pontiac Pete, $5,300, O. Cabana; Fairview Korndyke Pontiac, $1,300 O. Cabana; Fairview Korndyke Boon, $4,100, O. Cabana; Fairview Korndyke Pietertje, $1,400, O. Cabana; Lady Concordia De Kol, $4,600, O. Cabana; Fairview Pontiac Rag Apple, $1,100, O. Cabana; Fairview Jessie Korndyke, $3,500 O. Cabana; Fairview Pontiac Korndyke 2nd, $1,200, O. Cabana; Fairview Korndyke Maid, $1,600, Carnation Stock Farm, Seattle, Wash.; Lady Korndyke Pauline De Kol, $1,350, Carnation Stock Farm; Nellie Concordia De Kol, $3,000, Carnation Stock Farm; Fairview Rag Apple Darkness, $1,600, Carnation Stock Farm; Fairview Klaver Korndyke, $3,600, H. L. Jones, Westerly, R.I.; Pontiac Segis Pontiac Lass, $1,100, A. H. Beardsley, Richford, Ind.; Fairview Boon Rag Apple, $5,000, J. C. Weil, Townline, N.Y.; Paul Korndyke Pontiac Lass, $1,000, W. C. Stevens, Phillipsburg, Ont.; Pontiac Lady Korndyke, $4,500, Davis Bros., Morrisville, N.Y.; Fairview Beauty Pietertje 2nd, $1,750, H. Stevens & Son, Lacona, N.Y.; Colantha Pietertje Korndyke, $1,150, T. E. Getselman Hampshire, Ill.

OFFICIAL RECORDS OF HOLSTEIN-FRIESIAN COWS FROM DEC. 1 TO DEC. 31, 1914

(Continued from page 17)

10. Lone Prilly Hartog, 94906. 7y. 8m. 8d.; 253.7 lbs. milk, 8.55 lbs. fat, 10.70 lbs. butter. T. W. McQueen.

Special Record Made at Least Eight Months After Calving

1. Spink Lady De Kol, 18936. 5y. 6m. 0d.; 524.6 lbs. milk, 8.42 lbs. fat, 10.53 lbs. butter.

Thirty-day record, 5y. 6m. 0d.; 924.7 lbs. milk, 15.69 lbs. fat, 43.37 lbs. butter. Samuel Lemon, Ignadon.

During the month of December the records of 66 cows and heifers were received and accepted for entry in the Record of Merit. The mature class is led by the Nova Scotia cow, Miss La Honda, with 27.81 lbs. butter. This cow won championship in the dairy test at the recent Maritime Winter Fair, making, I believe, the largest three-day butter fat record ever made in a show ground test. Among the senior four-year-olds, first place is held by Homestead Pauline Colantha, with 20.76 lbs. butter. Lesmore Hengerveld leads the junior four-year-olds with the excellent record of 28.22 lbs. butter, and is a very fine representative of British Columbia. In the senior three-year-old class Ourvills Susia Abbekerk stands first, with the splendid record of 26.62 lbs. butter, while Pietje Sara Jewel leads the junior three-year-olds with 24.46 lbs. In this class we have again to report the great heifer, Lady Pietje Canary's Jewel that completes 21.3 days' official work with 15.3 lbs. milk, and 763.6 lbs. butter. In a class of 20 senior two-year-olds, Johanna Fairmount Hengerveld leads with 21.79 lbs. butter, and among the juniors first place is held by Nora Canary with 17.74 lbs. butter. Spink Lady De Kol makes a record of 16.53 lbs. in seven days and 43.37 lbs. in 30 days. In the two-year-old class, 10 months after calving:

W. A. CLEMONS, Secretary.

L. H. LIPSIT'S HERD

Type, strength and breeding is the combination to be found in the Holstein herd that compose the herd of L. H. Lipsit, Trilby, Florida. Finderne King May Fayne, is a splendid example of this combination. Straight, long, deep and smooth, he has stood his class at Brandon, Regina and London, won the championship at Saskatoon, and stood second at Toronto. His mother, Werehmeest May, has a 34-lb. seven-day record and 127-lb. 60-day record. He is by King Hengerveld Angel Mayne, the sire of Finderne Holligin Payne, who made as a three-year-old world's record with 37 lbs. of butter in seven days. Among other high-class daughters of this bull are a full sister, a three-year-old and 25-lb. two-year-old. None of his daughters are yet four.

A great show cow is Molly of Dunham, who has won more firsts at leading shows than any other cow in Canada. Last year she headed the list at Winnipeg, Regina, Saskatoon, Brandon, Toronto and London.

Among the mature cows that Mr. Lipsit is offering at the Tillsonburg sale is Canary Trinton Jewel. She is a fine large cow of type, good enough to win second place in the dry class at Toronto last year. She has a seven-day record of 25 lbs. and has given over 90 lbs. of milk in a day. The best cow in the herd is undoubtedly Lady Cupia Artis. She is of particularly fine type, long, straight and large barrelled, with a splendid udder. Quality shows in every line of her. She has given 90 lbs. of milk a day and 648 lbs. of milk and 24 lbs. of butter in a week as a two-year-old. She should materially increase her record when she freshens before the sale.
