Hanson's Patent Force Pumps

ARE now manufactured in Westminster, on Lot 2 1st Concession. They are in many respects superior to the pumps now generally in use, and they are superior to others where they have been introduced. Their commendations, and their cheapness, durability, ease of working, and their never freezing make them very far ahead of any in use. By attaching a few feet of hose they will throw water on any part of a building near them. Price of pump 12 feet long \$6 00, and 25c per foot for over that length. Pumps shipped by rail to all parts. Orders may be sent stating depth of well. Address

J. D. CLEVELAND, Pump Maker London, P.O.

THE EMPORIUM HORSE. ANGLIO SAXON.

WILL be in London from the 6th to the 12th of July, after which time he will be at the Westwell farm in Delaware. Mares sent to the farm can be pastured at moderate rates. On account of Anglo Saxon not returning as soon as advertised, 25 per cent will be deducted from the advertised price to gentlemen that have been disappointed, provided their mares are attended to before the 1st of August.

The fall season will commence on the first of October, when the full charges will be maintained except where we have a claim on the colt.

KING OF CANADIAN STOCK. HAS TAKEN four first prizes as the best Roadster or Carriage Horse; also two Prince of Wales Prizes and the Gold Medal, as the best Horse of any age or breed, which are the highest honors that have ever been placed on any animal in Canada. His Stock has taken the 1st 2d and 3d Prizes at recent Provincial Exhibitions. It is admitted that we cannot import a more suitable Horse for the purpose of Cleveland bay and blooded Stock. In him is combined the action and appearance of one, with the muscular hardness and docile temper of the other. He is of a dark bay color, having black legs, mane and tail; stands 16½ hands high, weighs 1,350 pounds, and is the most perfect, and most useful horse ever owned in Canada. He will undoubtedly enhance the value of our stock many hundreds of thousands of dollars. \$20,000 has been conditionally offered for him; 2,000 acres of land have been refused for him, and \$100 have been offered for his services by American gentlemen. \$1,200 has been refused by Mr. McNish, of Yarmouth, for a young horse sired by him. Mr. H. Kennedy of London, sold a horse colt sired by him for \$300. Mr. Jeffery, of Vaughn, refused \$145 for a mare colt, aged 8 months, sired by him. From good mares you may depend on realizing from \$200 to \$1000 for colts sired by him. He is a sure Stock getter 18 out of 20 single service mares proved to be in foal by him last year. You may never have such an opportunity to improve your stock again. Only last month Mr. Stripp of Dorchester, sold two of Anglo Saxon's colts for \$500. Mr. Waugh of London Township sold one for \$350. Mr. J. Hipburn of Yarmouth sold a span of 3 year old colts, for \$400. Mr. J. Armstrong of Yarmouth sold a 2 year old colt for \$200. This stock was sired by him, they were nearly all purchased by Americans, and have been paid for in Canadian Money. Gentlemen that know of good mares suitable to raise stallions from would oblige the proprietor and benefit this country by having them brought out, as we will pay more for the use of a good mare to raise a colt from, than the colt would be worth from any other horse. From good mares you may depend on realizing from \$200 to \$1000 for colts sired by him.

Terms of service, \$5 down and \$15 in nine months, if the mare proves to be in foal, and \$30 in three years if the colt is kept for a stallion. Wanted to hire a few really good mares to raise colts. A higher figure will be paid for the use of good mares, than the colt from any other horse would be worth.
