

FUR ROBES.

To every person sending us \$7.50 we will send, by express, a handsome, well made, Angora Goat Robe, of best quality, good size, and with fancy figured plush lining. These \$7.50 robes are frequently sold at \$12 each in the ordinary retail way. For \$9 we offer the very choicest Jet Ivory Black Fur Robes. At \$10 we have pure White Robes. We call your special attention to our Robes at \$12 each, which are made of Australian Bear Fur. This bear robe is now taking the place of the old Buffalo. It promises to be more durable and makes a very much handsomer robe. It wears well and, being somewhat spotted, has a splendid stylish appearance. We strongly recommend them. Send \$12 in a registered letter and get something new and something good in Fur Robes. For only \$1.10, in a letter, we will send to any post office in Canada, postage prepaid, a pair of our Gentleman's Imitation Dogskin Driving Gloves. They are worth all of \$2.50 in retail stores.

The plans of insurance operated by the Manufacturers' Life are universally admitted to be not only the most popular but also the most liberal and comprehensive now offered to the public. For a premium not very much larger than is charged for a \$5,000 policy, where the entire insurance is to be paid in one sum down, this Company will give a policy of \$10,000, payable in twenty annual instalments of \$500 each. That's the instalment plan. By insuring on the ten-twenty plan a man may carry \$1,000 for the insignificant sum of twenty three cents a week!

No other company in the world can give cheaper insurance than this.
